

CURRICULUM VITAE
(January 2011)

DANIEL M. BERNHOFEN

PERSONAL DATA

Address: School of Economics
The Sir Clive Granger Building
The University of Nottingham
University Park
Nottingham
NG7 2RD, UK
Tel: +44 115 846 7055
Fax: +44 115 951 4159
Email: daniel.bernhofen@nottingham.ac.uk

Family status: Married, wife: Laura T. Bernhofen
Children: Mark and Sonja

Nationality: German and US (dual) Citizen, UK Resident.

EDUCATION

Ph.D. (Economics), Maxwell School of Citizenship and Public Affairs, Syracuse University, USA, June 1994.

Diplom (Business Mathematics), University of Ulm, (West) Germany, July 1989.

M.S. (Mathematics), Syracuse University, US, August 1987.

DOCTORAL DISSERTATION

“Dumping and International Market Power in Vertically Related Industries.”

RESEARCH FIELDS

International Trade, Applied Microeconomics, Industrial Organization.

CURRENT POSITIONS AND AFFILIATIONS

Professor of International Economics, School of Economics, University of Nottingham, 2005-present.

Director. Leverhulme Centre for Research on Globalisation and Economic Policy (GEP), 2008-2009, 2010-present.

Research Professor, Department of Economics, Clark University, USA, 2006-present.

CES-IFO Research Fellow, University of Munich, May 2009-present.

VISITING POSITIONS AND PREVIOUS APPOINTMENTS

Visiting Professor, University of Tokyo, May 2010.

Visiting Researcher, CES-IFO Munich, April 2009.

Associate Professor, Department of Economics, Clark University, 2001-2006.

Assistant Professor, Department of Economics, Clark University, 1994-2001.

Visiting Professor, Faculty of Mathematics and Economics, University of Ulm, Germany, summers of 2000 and 2001.

RESEARCH AND PUBLICATIONS

A) Books

“Empirical International Trade”, editor, International Library of Critical Writings in Economics, 2010, Edward Elgar.

“Palgrave Handbook of International Trade”, co-editor (with D. Greenaway, R. Falvey and U. Kreickemeier); expected publication date; July 2011.

B) Articles in refereed journals and monographs

- “The empirics of general equilibrium trade theory”, 2011, Handbook chapter, forthcoming in the Palgrave Handbook of International Trade.
- “The effects of the unequal treaties on normative, economic and institutional changes in 19th century Japan”, (joint with Toshihiro Atsumi), 2010, forthcoming in ‘Normative Orders in the 19th century’. Springer Verlag.

- “Multiple cones, factor price differences and the factor content of trade”, 2009, *Journal of International Economics* 79(2): 266-271.
- “Predicting the pattern of international trade in the neoclassical trade model: a synthesis”, 2009, *Economic Theory* 41: 5-21.
- “Making sense of the comparative advantage gains from trade: comment on Batra”, 2006, *Review of International Economics* 14(3): 517-519.
- “An empirical assessment of the comparative advantage gains from trade: evidence from Japan” (joint with John C. Brown), 2005, *American Economic Review* 95(1): 208-225.
- “Gottfried Haberler’s 1930 reformulation of comparative advantage in retrospect”, 2005, *Review of International Economics* 13(5): 997-1000
- “The empirics of comparative advantage: overcoming the tyranny of nonrefutability”, 2005, *Review of International Economics* 13(5): 1017-1023.
- “A direct test of the theory of comparative advantage: the case of Japan” (joint with John. C. Brown), 2004, *Journal of Political Economy* 112(1), pp. 48-67.
- “Intra-industry trade in homogeneous products”, 2002, in *Frontiers of Research in Intra-industry Trade*, edited by P.J. Lloyd and Hyun-Hoon Lee, Palgrave MacMillan, pp. 49-66.
- “Product differentiation, competition, and international trade”, 2001, *Canadian Journal of Economics*, 34(4), pp. 1010-1023.
- “Oligopolistic competition and intra-industry trade: evidence from the OECD” (joint with Zahid Hafeez), 2001, *Australian Economic Papers* 40, pp. 77-90.
- “Measuring diversity in product space: the missing axiom”, 2001, *Economics Letters* 70, pp. 69-72.
- “Exchange rates and market power: evidence from the petrochemical industry” (joint with Peng Xu), 2000, *Journal of International Economics* 52, pp. 283-297.
- “Intra-industry trade and strategic interaction: theory and evidence”, 1999, *Journal of International Economics* 47, pp. 225-244.
- “On the likelihood of a Prisoners’ Dilemma in a differentiated duopoly” (joint with Laura T. Bernhofen), 1999, *Economics Letters* 64, pp. 291-294.

- "Globalisierung - aus Sicht der Außenhandelstheorie", 1999, in *Globalisierung und Soziale Marktwirtschaft*, Ulmensen, Schriftenreihe der Universität Ulm, Band 13, Universitätsverlag Ulm, Germany, pp. 109-118.
- "Strategic trade policy in a vertically related industry", 1997, *Review of International Economics* 5(3), pp. 429-433.
- "Vertical integration and international predation", 1996, *Review of International Economics* 4(1), pp. 90-98.
- "Price dumping in intermediate good markets", 1995, *Journal of International Economics* 39, pp. 159-173.

B) Book reviews

- Review of "Trade Liberalization: Fears and Facts" by Robert A. Rogowski, Linda A. Linkins and Karl S. Tsuji, 2003, *Faith and Economics* 41, pp. 32-34.

C) Working papers

- "Testing the general validity of the Heckscher-Ohlin Theorem: the natural experiment of Japan", (joint with John Brown); *in preparation for submission*.
- "A factor content characterization of the welfare effects from trade: evidence from 19th century Japan" (joint with John Brown and Masayuki Tanimoto); *in preparation for submission*.
- "Structural breaks in the opening up of Japan: Evidence from 19th century Japan". (joint with Laura T. Bernhofen and John C. Brown).
- "On the magic behind David Ricardo's four mystical numbers".
- "Bilateral predictions in a multilateral world? Revisiting the theory".

D) Work in Progress

- "A direct test of the Stolper-Samuelson Theorem: evidence from 19th century Japan". (joint with John Brown and Masayuki Tanimoto).
- "International trade and the container: initial explorations" (joint with Zouheir El-Sahli and Richard Kneller).
- "On the decline of trade costs: the natural experiment of Suez" (joint with Peter Egger and Nikolaus Wolff).
- "Well-being, height and globalization in 19th century China (joint with Stephen Morgan).
- "Welfare effects of input price discrimination under variable input demand" (joint with Switgard Feuerstein and Arijit Mukherjee).

TEACHING EXPERIENCE

Graduate level

- Ph.D. module in International Trade (UK)
- International Trade Theory (Ph.D. level, USA),
- Industrial Organization (Ph.D. level, USA),
- Microeconomic Theory (Ph. D. level, USA),
- Basic Econometric Theory (Ph.D. level, USA),
- International Trade Theory (Master level, UK),
- Introduction to International Trade and Finance (MA level at the Fletcher School of Law and Diplomacy, USA),
- International Trade and Industrial Organization, (MA level at the Fletcher School of Law and Diplomacy, USA),
- Economics for Managers (MBA level, USA).

Undergraduate level

- The Global Economy (introductory course for freshmen, USA)
- International Trade Theory (junior/senior level, USA),
- International Trade Theory (year 2, UK)
- International Monetary Theory (junior/senior level, USA),
- The Economics of the European Union,
- Intermediate Microeconomics,
- Principles of Economics (micro and macro),
- Principles of Microeconomics.

PRESENTATIONS

INVITED KEY NOTE LECTURES

4th Danish International Economics workshop, Aarhus, Denmark, June 2008.

INFER International Economics Research Meetings, University of Murcia, Spain, March 2008.

GEP 6th Postgraduate Conference, University of Nottingham, UK, March 2007.

International Economics Doctoral Conference, University of Rennes, France, February 2007.

CONFERENCES

Mid-West International Economics Meetings: Spring 1993, Fall 1993, Spring 1994, Fall 1995, Fall 1996, Fall 1997, Fall 1999, Spring 2001, Fall 2001, Spring 2004, Spring 2006, Spring 2007, Spring 2010.

European Trade Study Group (ETSG) Annual Conference: 2005 (Dublin), 2006 (Vienna), 2007 (Athens), 2008 (Warsaw).

Centre for Economic Policy Research (CEPR), European Research Workshop in International Trade (ERWIT): 2007 (Kiel).

National Bureau of Economic Research (NBER); Summer Institute in International Trade: 2006.

Southeast International Economics Meetings, Fall 2000.

Annual Cliometrics Conference, North Carolina State University, May 2003.

Conference on *Empirical Investigations in International Trade*: Purdue University, Fall 1994, Fall 1995, Fall 1997, Fall 1999, Fall 2001.

Conference on *Frontiers of Research in Intra-industry trade*, University of Colorado, August 2000.

Passau Conference on International Economics, Universität Passau, Germany, April 1999.

American Economic Association: 1997, 1998, 2000, 2005.

Eastern Economic Association: Spring 1996.

NBER Weekly Luncheons in International Economics: Cambridge, Fall 1994, Spring 1997.

PRESENTATIONS AT UNIVERSITIES

Syracuse University (December 1993), Clark University (January 1994), Columbia University (February 1994), Clark University (October 1994), University of Connecticut (October 1995), Clark University (November 1995), Brandeis University (December 1995), Clark University (November 1996), Cornell University (February 1997), Boston University (March 1997), Clark University (October 1997), University of Connecticut (April 1998), Northwestern University (May 1998), Universität Tübingen (November 1998), Universität Ulm (January 1999), Universität Nürnberg-Erlangen (January 1999), Universität Mainz (May 1999), Freie Universität Berlin (June 1999), Universität Dortmund (June 1999), Clark University (September 1999), Brandeis University (November 1999), Clark University (February 2000), Universität Ulm (July 2000), Harvard University (February 2001), Wesleyan

University (April 2001), Columbia University (February 2002), Indiana University (October 2002), Syracuse University (March 2003), Clark University (October 2003), Brandeis University (January 2004), University of Nottingham (February 2006), University College Dublin (February 2006), Cardiff University (February 2006), University of Birmingham (September 2006), Université Catholique de Louvain (October 2006), University of Nottingham (January 2007), Université de Paris I (January 2007), University of Newcastle (March 2007), University of Dundee (March 2007), Clark University (April 2007), Kiel Institute for the World Economy (May 2007), Erasmus University Rotterdam (September 2007); Oxford University (November 2007), University of Nottingham-Malaysia (January 2008), University of Murcia (March 2008), Aarhus University (June 2008), Stockholm Institute for Industrial Economics (November 2008), Hitotsubashi University (December 2008), University of Nottingham-Malaysia (January 2009), Nanyang Technology University in Singapore (January 2009), Warwick University (March 2009), Frankfurt University-Max Plank Institute for International Law (September 2009), University of Lausanne (November 2009), University of Nottingham (March 2010), Bank of Japan (May 2010), University of Tokyo (May 2010), Hitotsubashi University (May 2010), Keio University (May 2010), London School of Economics (November 2010).

CONFERENCE ORGANIZATIONS

“European Research workshop in international trade (ERWIT), (co-organizers: Simon Evenett, Diego Puga and Gianmarco Ottaviano), CEPR and GEP, University of Nottingham, June 6-8, 2011.

“Trade costs” (co-organizer: Peter Egger and Rod Falvey), Globalisation and Economic Policy Research Centre (GEP), University of Nottingham, June 19-20, 2009.

“Globalization and Migration” (co-organizer: Giovanni Facchini), Globalization and Economic Policy Research Centre (GEP), University of Nottingham, October 19, 2007.

“New Directions in Trade Theory” (co-organizer: Ray Riezman), Globalization and Economic Policy Research Centre (GEP), University of Nottingham, June 8-9, 2007.

American Economic Association Meetings, Philadelphia, January 2005, Organizer of AEA session: “On the 75th anniversary of the opportunity cost formulation of comparative advantage”.

American Economic Association Meetings, Boston, January 2000, Organizer of AEA session: “Product differentiation in international trade”.

American Economic Association Meetings, New Orleans, January 1997, Organizer of AEA session: "Explaining intra-industry trade".
