Facts
- Language of instruction: English
- Number of students enrolled: 24,500
- Number of campuses: 5
- Academic year: February – November
- Autumn Semester Equivalent: July – November
- Spring Semester Equivalent: February – June

Location
UCT’s campus is located at the foot of Table Mountain's Devil’s Peak, with panoramic views of much of Cape Town. UCT is very similar to the city of Cape Town: it has a vibrant, cosmopolitan community, with staff and students from over 100 countries in Africa and the rest of the world.

Things to do
Cape Town is an excellent base for exploring the Western Cape region, famed internationally as a tourist destination. You can visit world famous sites including Table Mountain, Cape Point, Robben Island (where Nelson Mandela was incarcerated for 27 years) the Stellenbosch wine lands and the Franschhoek gourmet town.

Cape Town beaches have soft, white sand, great surrounding scenery and mountainous backdrops, and you can see the penguins on Boulders Beach. Outdoor activities are possible across South Africa including hiking, river rafting, diving, game viewing and whale watching.

Top Attractions: Table Mountain Aerial Cableway, Robben Island, Gansbaai (white shark capital of the world) and Long Street’s nightlife

Travel opportunities
“Every country in the world displays some diversity, but South Africa, stretching from the hippos in the Limpopo River to the penguins waddling on the Cape, takes some beating. There’s the deserted Kalahari, Namakwa’s springtime symphony of wildflowers, iconic Table Mountain and Cape Point, Kruger National Park’s wildlife-stalked savannah and, running through the east of the country and into Lesotho, the Drakensberg. KwaZulu-Natal’s iSimangaliso Wetland Park alone has five distinct ecosystems, attracting both zebras and dolphins.”

Further field, you can visit Johannesburg, undertake a classic overland journey to Namibia and Botswana or visit other African countries including Zimbabwe and Kenya.

Climate
South Africa is famous for its sunshine and is a relatively dry country. The Western Cape has a Mediterranean climate: Autumn (mid-February to April) is fantastic, with hot sunny days and warm, balmy nights, and Summer (mid-October to mid-

February) is also warm. Winter (May-July) gives more cloudy, rainy weather. For more information: http://www.southafrica.info/

Finance 2017/18
Bursaries available:
- Automatic bursary of £750 is offered to students attending the University of Cape Town for a semester or full academic year
- International Office Travel Bursary (means-tested): £750 dependant on household income for students beginning their studies in 2016. Students who started their studies before 2016 should see the finance webpage, as the award criteria differs (available to students classed as Home Students for fees purposes and accepted to study abroad as part of the University-wide exchange programme)

Approximate living costs per semester:
