- Language of instruction: English & Swedish
- Number of students enrolled: 42,000
- Number of campuses: 4
- Academic year: September - June
- Autumn Semester Equivalent: September – January
- Spring Semester Equivalent: January – June

Things to do
The second-oldest town in Sweden, Lund is a medieval university town situated in the far south of the country, close to the border with Denmark and within easy reach of Copenhagen. The region is internationally recognised for research and commercial activities with many world-leading companies located there. Lund is a city of 100,000 people, of which 38,000 are students.

Lund University is the number one choice for international students coming to Sweden and offers a vibrant international campus environment. It is the largest centre for research and higher education in Sweden. The town offers a great variety of student activities, in a vibrant and stimulating atmosphere. Lund offers more than 300 courses taught in English and the chance to experience a unique European culture in a country where English is widely spoken.

Top attractions: Domkyrkan Cathedral, Botaniska Trädgården (Botanical Gardens) and Kulturen (Museum of Culture)

Travel opportunities
Sweden has a highly efficient rail network spanning the entire country, putting you in easy reach of the pretty coastal cities of Stockholm, Gothenburg and Malmo. Or you can travel north to ski in in the abundant snow and ice of Sweden’s glittering winter wonderland. It’s just 15 minutes from Lund to Malmo by train with departures every 10 minutes.

Copenhagen is only an hour away by train giving access to Denmark. The University also organises a number of trips to major European cities in Northern Europe for exchange students including Germany, the Netherlands, Poland and Belgium.

Climate
The climate of Lund is temperate. The summer season is mild and pleasant with clear skies while the winter months are cold with frequent snowfall. Because of its northerly latitude, daylight lasts as long as 17 hours in midsummer, and around 7 hours in midwinter.

Finance 2018/19
Students accepted to study abroad at Lund are eligible to receive the Erasmus grant. This grant is in addition to your usual Student Finance maintenance loan. The amount you receive depends on the length of your study period. In 2017/18, students studying at Lund for one semester received approximately £1380. Erasmus grant amounts have not yet been confirmed for 2018/19. Global Travel Bursary (means-tested): £750 dependent on household income for students beginning their studies in 2016. Students who started their studies before 2016 should see the finance webpage, as the award criteria differs (available to students classed as Home Students for fees purposes and accepted to study abroad as part of the University-wide exchange programme).

Approximate living costs per semester:

<table>
<thead>
<tr>
<th>Cost</th>
<th>Cost Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>Return flight from UK (av. 2.15 hours)</td>
<td>£100–300</td>
</tr>
<tr>
<td>Visa costs</td>
<td>£0 for EU nationals</td>
</tr>
<tr>
<td>Student European Health Insurance Card (EHIC) (compulsory)</td>
<td>£0 for EU nationals*</td>
</tr>
<tr>
<td>Accommodation</td>
<td>£1000-1700</td>
</tr>
</tbody>
</table>

Approximate living costs are compiled from external sources and the partner university website. *In-country healthcare costs vary.

A typical student budget is approximately 8,060 SEK (£750) a month.

Accommodation
- University accommodation: although University accommodation is not guaranteed to exchange students, in the past Nottingham students have been successful in being allocated to a room in a hall of residence. University accommodation is self-catered.
- Private accommodation: Private accommodation is popular and limited in Lund and it is very common for exchange students to live outside the city and commute into Lund. Accommodation agencies provide lists of available accommodation.

Further accommodation information is available from:
