Finance 2018/19
Students accepted to study abroad at UCD are eligible to receive the Erasmus grant. This grant is in addition to your usual student finance maintenance loan. The amount you receive depends on the length of your study period. In 2017/18, students studying at UCD for one semester received approx £1,100. Erasmus grant amounts have not yet been confirmed for 2018/19.
Global Travel Bursary (means-tested): £750 dependent on household income for students beginning their studies in 2016. Students who started their studies before 2016 should see the finance webpage, as the award criteria differs (available to students classed as Home Students for fees purposes and accepted to study abroad as part of the University-wide exchange programme).

Accommodation
- Private accommodation: Most students will look for accommodation in the private sector. Private rented accommodation is plentiful but students are advised to allow at least 3 weeks to find suitable accommodation, or travel to Dublin prior to the start of semester.
- University accommodation: UCD has on-campus accommodation for over 2500 students in 3, 4, 5 and 6 bedroom self-catering apartments in four locations. UCD has set aside a proportion of on-campus rooms for international students, although places are limited and on-campus accommodation is not guaranteed for Erasmus students.
