Things to do
Adelaide is noted for its many festivals and sporting events, its food, wine and culture and its long beachfronts. The main University North Terrace campus is located in the heart of the city, close to the shopping district, parkland bordering the River Torrens and the Botanical Gardens. Adelaide offers easy access to some of Australia’s most spectacular beaches and coastal scenery, rolling vineyards and peaceful hill retreats.

Top attractions: Central Market, Adelaide Botanic Garden, Kangaroo Island, Art Gallery of South Australia and Rundle Street (for shopping and culture)

Travel opportunities
Adelaide is 2 hours from Sydney and just over an hour from Melbourne by plane. New Zealand is a 6 hour flight. South Australia is a huge territory offering a wide variety of natural landscapes including beaches and lagoons, Kangaroo Island, the cliffs of the Great Australia Bight and Flinders’ Ranges, a bushwalking paradise.

Getting around
It’s easy to navigate Adelaide, as the city has very good public transport links and hundreds of walking trails.

Climate
Adelaide has a hot Mediterranean climate, which generally means mild, wet winters 15-16°C (Jun-Aug) and hot, dry summers 27-40°C (Dec-Feb). Of all the major Australian cities, Adelaide is the driest.
