The vast majority of degree programmes include a compulsory third year abroad. Single honours students spend the whole third-year and joint honours students a semester of their course in Russia, Serbia or Croatia. Students studying Slovene may also go to Slovenia. The options for your year abroad include attending a language school or university exchange. Students may study through the Erasmus programme in Croatia and Slovenia only.

Partner organisations in Russia and Eastern Europe

Open to students from the Department of Russian and Slavonic Studies only.
