Are you new to Nottingham?

If you are an international or EU student and you missed the Welcome Programme or you are starting your course at a different time of year, the following information will help you through your first few days in Nottingham.

www.nottingham.ac.uk
University registration

All students need to register online via the portal: portal.nottingham.ac.uk

New full-time students also need to confirm their attendance in person at the Student Services Centre.

International students need to show their passport and visa at registration. Only students holding a visa valid for study at The University of Nottingham will be permitted to register. Visit www.nottingham.ac.uk/internationalstudents/registration

Where possible, students who are required to collect their Biometric Residence Permit (BRP) on arrival to the UK should do so before completing registration in person. The BRP will usually be collected from the International Office at the University, but please refer to instructions given on the letter issued with your 30 day entry visa.

Next, contact your department to begin your studies: www.nottingham.ac.uk/departments

Arrival checklist

Open a bank account: request a bank letter from the Student Services Centre to begin the process. NatWest and Santander banks are located on campus. Visit www.nottingham.ac.uk/studentservices

Register with the NHS: the UK has a National Health Service which provides medical care. Find out how to register with a doctor: www.nottingham.ac.uk/internationalstudents/health

Obtain your University Card: if you have uploaded your photo already, your card should be waiting at your school. If you still need to upload your photo, visit www.nottingham.ac.uk/estates/university-card

Police registration: if you need to register with the police it will be stated on your visa/entry clearance and you will need to register within seven days of arrival in the UK: www.nottingham.ac.uk/internationalstudents/visa-conditions
