## University-wide exchange programme

### Application deadline

Friday 12 January 2018

### Eligibility

Open to all undergraduate degree programmes. Apply in first-year to study abroad for autumn semester of second-year. Minimum 60% average required to be considered.

Please note that not all partner universities listed are guaranteed to offer suitable modules. Students must meet with Rachel Jessop followed by their Course Director to discuss module choices and pre-requisites for final year modules prior to applying.

| Partner   | City         | Country         |
|---|--------------|-----------------|
| Australian National University                      | Canberra     | Australia       |
| The University of Melbourne                         | Melbourne    | Australia       |
| The University of Adelaide                          | Adelaide     | Australia       |
| The University of Western Australia                 | Perth        | Australia       |
| The University of New South Wales                   | Sydney       | Australia       |
| The University of Newcastle                         | Newcastle    | Australia       |
| The University of Canterbury                        | Christchurch | New Zealand     |
| The University of British Columbia Vancouver Campus | Vancouver    | Canada          |
| The University of British Columbia Okanagan Campus  | Kelowna      | Canada          |
| McGill University                                   | Montreal     | Canada          |
| University of Toronto Scarborough Campus            | Toronto      | Canada          |
| University of Amsterdam                             | Amsterdam    | The Netherlands |
| Oregon State University                             | Corvallis    | USA             |

## Inter-campus exchange programme

### The University of Nottingham Malaysia Campus (UNMC)

#### Application deadline

Friday 9 February 2018

#### Eligibility

Open to BSc Environmental Biology and BSc/MSci Environmental Science. Students should contact their course director to discuss modules to be taken at the Malaysia Campus and final year project options. Apply in first year to study abroad for autumn/spring semester/full year of second year.

#### Contacts

Director of Internationalisation

Rachel Jessop [rachel.jessop@nottingham.ac.uk](mailto:rachel.jessop@nottingham.ac.uk)

Dr Ruth Blunt [ruth.blunt@nottingham.ac.uk](mailto:ruth.blunt@nottingham.ac.uk)

## BSc/MSci International Environmental Science

#### Eligibility

Students who have been accepted onto the BSc/MSci International Environmental Science will spend the second year of their degree programme at the University of Sydney, Australia.

All students must have attained a 2:1 or 60% by the end of the first semester, and have passed the first year, in order to be eligible.

Course Director

Dr Keely Harris-Adams [Keely.Harris-Adams@nottingham.ac.uk](mailto:Keely.Harris-Adams@nottingham.ac.uk)

## International Year in Europe (Erasmus)

#### Eligibility

Open to all undergraduate degree programmes, except BSc/MSci International Environmental Science. Apply in first year to study abroad for full third year, extending the degree to a four year programme and updating the degree title to "...with an International Year".

All students must take and pass 20 credits of language modules during year 2 (10 credits in each semester).

Students on the foreign language option must have a GCSE or equivalent in the host language (minimum Grade B) at application stage. Students on the foreign language option will take the majority of modules abroad in the target language (French, Spanish or German). Please note that some of our partner universities have minimum language requirements.

UK | CHINA | MALAYSIA

Depending on your subject and language, it may be possible to study abroad in English if you have no prior knowledge of the host language. Depending on your language competency and academic attainment during semester 1, it may be possible for you to work abroad in the host country for the second semester of the International Year.

## Application deadline

**Friday 31 March 2018** for study abroad in 2019/20.

| Partner   | City      | Country |
|---|-----------|---------|
| École Supérieure d'Agriculture d'Angers* (ESA Angers)                 | Angers    | France  |
| Institut Supérieure d'Agriculture* (ISA Lille)                        | Lille     | France  |
| Université des Sciences et Technologies de Lille (IUT Lille)          | Lille     | France  |
| Institut Supérieur d'Agriculture Rhône-Alps* (ISARA Lyon)             | Lyon      | France  |
| AgroParisTech (Institut des sciences du vivant et de l'environnement) | Paris     | France  |
| Georg-August-Universität Göttingen                                    | Göttingen | Germany |
| Universidad Politécnica de Valencia                                   | Valencia  | Spain   |

\*Part of Fésia: an Erasmus consortium agreement.
