## Careers and Employability Service Supporting Faculty of Science students

[www.nottingham.ac.uk/careers/science](http://www.nottingham.ac.uk/careers/science)

# Our Faculty of Science team

for biosciences, chemistry, computer science, mathematical sciences, pharmacy, physics and astronomy, and psychology students

## Who are we?

Our Faculty of Science team is here to help you with all aspects of your career planning and building your employability skills. We're based in the Pope building but we'll be in your school on a regular basis.

## What we can offer you...

As a science student you have a lot going for you. In 2012 93.5% of science graduates who were available for work gained employment or further study within six months of graduating.\* We are here to work with you and give you the opportunity to develop your skills and enhance your career prospects.

## Want to make an appointment?

Whether you know exactly what you want to do when you graduate, have a vague idea, or no idea at all, we're here to help. We can offer advice, guidance and support that are tailored to you. You can book an appointment using My Career, or come and see us at a drop-in session in your school.

## Services for science students

Through delivering bespoke events and services, we will work with you to achieve your career ambitions.

- Weekly drop-ins in your school.
- Speed networking with employers.
- Skills workshops on CVs, application forms, presentation skills and teamwork.
- CV review appointments.

## And there's more...

- 150 extracurricular modules to make you more employable through our Nottingham Advantage Award.
- Presentations from employers, fairs and recruitment events for specific industries.
- Online listings of more than 2,500 graduate vacancies and internships a year on **My Career**.
- The £500 Work Experience Grant and £1,000 Entrepreneurial Grant.
- Part-time jobs on campus and with local companies through our recruitment agency, Unitemps.
- Our eMentoring scheme, which connects you with an alumni mentor to gain an insight into their industry.

## Where to find out more

Use our website to find out more about all of our services in addition to comprehensive advice on graduate careers, internships, further study, working abroad, applying for jobs and much more.
