Information for parents
The Nottingham Advantage Award
Nottingham students achieve more with the Advantage Award

The Nottingham Advantage Award is an exciting opportunity available to your son or daughter and is a gateway to the many extra-curricular activities the University has to offer.

We do more than just provide the pathway to these activities - we make sure students make the most of it by reflecting on how it has helped them.

The modules we offer include work experience, language learning, study abroad, volunteering, enterprise and career skills - all of which aid personal development and improve career prospects, helping your son or daughter to develop the skills graduate recruiters are really looking for.

We are supported by employers
Many of the modules are run by employers. We also work with more than 30 graduate recruiters, including BT, Ernst & Young, PwC, Teach First and Enterprise Rent a Car.

We are award-winning
In March 2011 we won the Association of Graduate Recruiters’ Graduate Development Award, and we have also been shortlisted for international and national awards including one by Times Higher Education.

We are international
The Award is available at all three of Nottingham’s international campuses, allowing students to continue participation in the Award as part of a study abroad scheme.

“The Nottingham Advantage Award is a great opportunity for you to demonstrate that you’ve taken a proactive approach to develop and expand your skills and will be extremely attractive to future employers.”  
— Zoe Dunnett  
BT

“When I leave Nottingham I’ll have my degree but I’ll also be taking with me the skills I’ve gained through the Nottingham Advantage Award. Experiences like this are things that I’ll remember long after I leave University.”  
— Andrius Druzinis  
University of Nottingham Alumni
