## Grandville and the Anthropomorphic Tradition

Public Lecture hosted by the School of English Studies

**Wednesday March 2, 2011 at 5pm**

University Park Campus**

Praise for *Grandville: Mon Amour*:

“Clever, knowing, funny, imaginative, chilling, and illustrated so gorgeously, you could stare at each frame for hours.”

– *The Observer*

“Talbot plays with colour, angle and perspective just as gleefully as with the facts of history. The look of Belle Epoque Paris merges with the naughty-nineties London of Whistler, Wilde and Conan Doyle.”

– *The Independent*

**The lecture will be followed by a book signing | Copies of Bryan’s work will be available.**

Please RSVP by February 23 <http://www.nottingham.ac.uk/english/intranet/rsvp.html>
