**Foresight Group - Background**
Since its establishment in 1984, Foresight has grown from its origins as a technology focused venture capital firm to become a leading alternative asset manager with over £800 million of assets under management. With more than 35 investment professionals, Foresight has dedicated teams focusing on three major sectors: private equity, environmental and infrastructure. In addition, it has a market-leading support team with over 20 professionals dedicated to fund raising, investor relations, marketing, finance, reporting, governance and providing senior executive oversight.
