

Scholarship Application Form

The scholarship application form is broken down into sections:

IT IS VERY IMPORTANT THAT YOU COMPLETE YOUR FORM CORRECTLY BEFORE YOU SUBMIT IT AND YOU ARE ADVISED TO READ THIS PART CAREFULLY FIRST AND HAVE THE INFORMATION READY FOR WHEN YOU LOG INTO THE ONLINE APPLICATION FORM.

PLEASE NOTE we are not able to change your form once you have submitted it and you will not be able to send a second application for the same scholarship.

You may find it easier to type out your answers first, keep them for a few days to make absolutely sure you are happy with what you have put and when are happy with them, copy them into the application form when you log into it.

We will accept applications up until the closing date of the Scholarship.

1) Basic Details

Prospective students are asked to provide the following details:

Application ID number (PG Application Number or UCAS Number)

Degree type..... Undergraduate or Postgraduate

Date of Birth

You then click to have your details checked against the University's central admissions records. If there is a match between the details provided and our records the details are verified.

- Students must have an offer to study at Nottingham in order to apply for a scholarship.
- Where students have received an offer they will be able to proceed to the next stage of the form.
- Where students are waiting for a decision from the University they will be advised to apply for a scholarship when they receive an offer from the University.

2) Qualifications

The next step in the application process is for students to provide information on their qualifications.

You will be asked for details of your highest academic achievements/qualifications to date, that is your most recent confirmed exam results (as they appear on your transcript) and also details of your predicted grades for the next set of exams you will be taking.

3) Scholarship Application

You will then need to scroll down and click onto the scholarship form (from the scholarship list at the bottom of the page) to make your application, and you will be asked about the following within that application.

a) Reasons for Applying

- Why have you chosen to study this academic programme? (up to 150 words)
If you are applying for a Research (PhD or MPhil) scholarship you should give brief details of your proposed research project and say why this is of interest to you, it is **important** that you state on your scholarship application the specific topic you are interested in researching and why.
- Why have you chosen to study in the UK? (up to 150 words)

b) Funding

If you are applying for a partial scholarship you will be asked how you intend to fund the remaining costs, both for the remainder of the tuition fee and the living expenses. You will select from:

Private / Personal Funds

Other Scholarships

Don't Know

Bank Loan

Sponsor – you will need to provide more information on the funding you have in place for your studies

(e.g. details of lender if using a loan, or who is your private sponsor (i.e. family member or friend), where does your private sponsor's money come from – a family business, their job, savings etc? (up to 50 words)

c) For Postgraduate Students only – you will also be asked

- Are you currently employed / working? If yes, please provide details of your current position, including your job title, where you work and an overview of your responsibilities (up to 50 words)
- How will this scholarship benefit you and your country? (up to 50 words)
- On completion of your postgraduate course, what do you plan to do?
Enter 'work in the UK' / 'work in home country' / 'Further studies' / 'Other' – please specify
- Tell us more about your future career ambitions (up to 100 words)

Having completed the form students receive a message confirming that it has been successfully submitted and that we will contact them when a decision has been reached.

If students wish to apply for more than one scholarship they get an option to do this without having to answer the questions outlined above all over again.
