International Office Excursion and Event Planner 2011/2012

www.nottingham.ac.uk/internationaloffice

We hope you enjoy taking part in a range of activities which we have planned for you this academic year!

Please make a note of any excursions or events you are interested in, but also please make sure that the event is suitable for you by checking the colour coded key. Excursions carrying a charge (for transport and entry only - we make no profit on your payment) will require you to buy a ticket from the International Office. We only have the facilities to accept cash. About 2 weeks before an event you will receive an email notification telling you how to apply or purchase tickets.

Key:

- For all students
(children must be over 4 years)
- For families with young children
- For English Language Class students
- For students who have applied to the Family Link* scheme.

*Family Link and Culture Vulture are schemes that enable you to meet British people and fellow students respectively. More about the schemes and how to apply will be advertised to ALL students via email at the start of term, or you can find out more online at: www.nottingham.ac.uk/InternationalOffice/current-students/support.aspx

"The university has a beautiful campus, great support for international students and a wide variety of clubs and societies. There are many fun events organised, great lectures and learning experience, great location in relation to other places in England and there are many opportunities to explore England and experience the British culture"

Australian student, Civil Engineering
