

The University of
Nottingham

YR12 Physics Taster Day

The day is completely FREE* and consists of a mixture of lectures, practical activities and liquid nitrogen demonstrations.

All activities will be held in the Physics and Maths building on the University Park campus.

There will also be a guided campus tour and a careers guidance session.

See overleaf for programme details.

For more information, or to book your place, please contact:

Chris Staddon

chris.staddon@nottingham.ac.uk

Places are limited to 30 students.

*All expenses including morning break refreshments and transport costs are covered
