

## Injury epidemiology and prevention group : Publications

### 2007:

- Kendrick D, Barlow J, Hampshire A, Polnay L, Stewart-Brown S. Parenting interventions for the prevention of unintentional injuries in childhood. Cochrane Database of Systematic Reviews 2007, Issue 4. Art. No.: CD006020. DOI: 10.1002/14651858.CD006020.pub2.
- Kendrick D, Coupland C, Mulvaney CA, Simpson J, Smith SJ, Sutton A, et al. Home safety and provision of safety equipment for injury prevention. Cochrane Database of Systematic Reviews 2007; Issue 1. Art. No.: CD005014. DOI: 10.1002/14651858.CD00514.pub2.
- Kendrick D, Groom L, Stewart J, Watson M, Mulvaney C, Casterton R. "Risk Watch": Cluster randomised controlled trial evaluating an injury prevention programme. *Injury Prevention* 2007; 13: 93-99
- Kendrick D, Lyons R, Christie N, Towner E, Bengner J, Groom L, et al. Recruiting participants for injury studies in emergency departments. *Injury Prevention* 2007; 13: 75-77
- Lyons RA, Towner EM, Kendrick D, Christie N, Brophy S, Phillips CJ, Coupland C, Carter R, Groom L, Sleney J, Evans PA, Palister, I, Coffey, F. The UK Burden of Injury Study – a protocol. *BMC Public Health* 2007; 7: 317
- Royal S, Kendrick D, Coleman T. Promoting bicycle wearing by children using non-legislative interventions: systematic review and meta-analysis. *Injury Prevention* 2007; 13: 162-167
- Sutton A, Kendrick D, Coupland C. Exploring the effect of participant characteristics on effectiveness using a combination of individual participant and aggregate level data from individual and cluster allocated studies. *Statistics in Medicine* 2007 May 18; [Epub ahead of print]
- Watson MC, Kendrick D, Coupland C, Futers D. Childhood injury prevention: The views of health visitors and nursery nurses working in deprived areas. *International Journal of Health Promotion & Education* 2007; 45(1): 4-10

### 2006:

- Barlow J, Johnston I, Kendrick D, Polnay L, Stewart-Brown S. Individual and group-based parenting programmes for the treatment of physical child abuse and neglect. Cochrane Database of Systematic Reviews 2006, Issue 3. Art. No.: CD005463. DOI: 10.1002/14651858.CD005463.pub2
- Groom L, Kendrick D, Coupland C, Patel B, Hippisley-Cox J. Inequalities in hospital admission rates for unintentional poisoning in young children. *Injury Prevention* 2006; 12: 166-17
- Illingworth R, Kendrick D, Collier J, Woods A, K. W, Dewey M, et al. Factors associated with women's antenatal plans to use a baby walker: A cross sectional study. *Health Education Journal* 2006; 65(3): 197-210
- Masud T, Coupland C, Drummond A, Gladman J, Harwood R, Kendrick D, et al. Multifactorial day hospital intervention to reduce falls in high risk older people

in primary care: a multi-centre randomised controlled trial. *Trials* 2006; 7(5): doi: 10.1186/1745-6215-7-5

- Mulvaney CA, Kendrick D, Watson MC, Coupland CA. Increasing child pedestrian and cyclist visibility: cluster randomised controlled trial. *Journal of Epidemiology & Community Health* 2006; 60: 311-315
- Patel B, Kendrick D, Groom L. Trends in children's attendance at hospital Accident and Emergency Departments for unintentional poisoning from 1990 to 1999 in the UK. *International Journal of Injury Control and Safety Promotion* 2006; 13(1): 55-57
- Mulvaney C, Kendrick D. Do maternal depressive symptoms, stress and a lack of social support influence whether mothers living in deprived circumstances adopt safety practices for the prevention of childhood injury? *Child: Care, Health and Development* 2006 May; 32(3): 311-9.

#### **2005:**

- Barlow J, Johnston I, Kendrick D, Polnay L, Stewart-Brown S. Individual and group-based parenting programmes for the prevention of child abuse and neglect (Protocol). *The Cochrane Database of Systematic Reviews*: Chichester, UK: John Wiley & Sons, Ltd, 2005: Article DOI: 10.1002/14651858.CD005463
- Coupland CAC, Savelyich BSP, Hippisley-Cox J, Kendrick D, Groom L, Cross E. A randomised controlled trial of the effect of providing information on accidental injury admissions and their costs to Primary Care Groups and Trusts. *Family Practice* 2005; 22: 249-252
- Kendrick D, Illingworth R, Woods A, Watts K, Collier J, Dewey M, et al. Promoting child safety in primary care: a cluster randomised controlled trial to reduce baby walker use. *British Journal of General Practice* 2005; 55: 582-588
- Kendrick D, Mulvaney C, Burton P, Watson M. Relationships between child, family and neighbourhood characteristics and childhood injury: A cohort study. *Social Science and Medicine* 2005; 61: 1905-1915
- Kendrick D, Watson M, Mulvaney C, Burton P. How useful are home safety behaviours for predicting childhood injury? A cohort study. *Health Education Research* 2005; 20(6): 709-718
- Royal S, Kendrick D, Coleman T. Non-legislative interventions for the promotion of cycle helmet wearing by children. *The Cochrane Database of Systematic Reviews* 2005(Issue 2): Art. no.: CD003985.pub2. DOI: 10.1002/14651858.CD003985.pub2
- Watson M, Kendrick D, Coupland C, Woods A, Futers D, Robinson J. Providing child safety equipment to prevent injuries: randomised controlled trial. *British Medical Journal* 2005; 330: 178-181
- Watson M, Kendrick D, Woods A, Dewey M. Measuring contamination in an injury prevention randomised controlled trial. *International Journal of Injury Control and Safety Promotion* 2005; 12(3): 197-200

#### **2004:**

- Groom L, Hippisley-Cox J, Kendrick D. Primary care organisation board members' views on accident prevention. *Primary Health Care Research and Development* 2004;5: 135-144
- Kendrick D, Coupland C, Mulvaney C, Simpson J, Smith SJ, Sutton A, et al. Home safety education and provision of safety equipment for injury prevention (Protocol). In: *the Cochrane Library*, Issue 4, 2004. Chichester, UK: John Wiley and Sons Ltd, 2004
- Kendrick D, Royal ST, On behalf of the "Lids for Kids" project team. Cycle helmet ownership and use; a cluster randomised controlled trial in primary school children in deprived areas. *Archives of Disease in Childhood* 2004;89: 330-335
- Mulvaney CA, Kendrick D. Engagement in safety practices to prevent home injuries in pre-school children among white and non-white ethnic minority families. *Injury Prevention* 2004;10: 375-378
- Royal ST, Kendrick D, Coleman T. Non-legislative interventions for the promotion of cycle helmet wearing by children (Protocol). In: *The Cochrane Library*, Issue 3, 2004, Chichester, UK. John Wiley & Sons Ltd. Chichester, UK, 2004
- West J, Hippisley-Cox J, Coupland CAC, Price GM, Groom LM, Kendrick D, et al. Do rates of hospital admission for falls and hip fracture in elderly people vary by socio-economic status? *Public Health* 2004;118: 576-581
- Woods A, Collier J, Kendrick D, Watts K, Dewey M, Illingworth R. Injury prevention training: a cluster randomised controlled trial assessing its effect on the knowledge, attitudes, and practices of midwives and health visitors. *Injury Prevention* 2004;10: 83-87

**2003:**

- Coupland C, Hippisley-Cox J, Kendrick D, Groom L, Cross E, Savelyich B. Severe traffic injuries to children, Trent, 1992-7: time trend analysis. *British Medical Journal* 2003;327: 593-594
- Kendrick D, Royal S, on behalf of the "Lids for Kids" project team. Inequalities in cycle helmet use: cross sectional survey in schools in deprived areas of Nottingham. *Archives of Disease in Childhood* 2003; 88: 876-880
- Hapgood R, Woods A, Dyas J, Bentley E, Kendrick D. Baby walker safety- baby's minder or parent's problem? *Health Education Journal* 2003;62(4): 350-358
- Kendrick D, Groom L, Hippisley-Cox J, Savelyich BSP, Webber E, Coupland C. Accidental injury: a neglected area within Primary Care Groups and Trusts? *Health Education Research* 2003;18(3): 380-388
- Kendrick D, Illingworth R, Hapgood R, Woods AJ, Collier J. Baby walkers - health visitors' current practice, attitudes and knowledge. *Journal of Advanced Nursing* 2003;43 (5): 488-495
- Rhodes K, Kendrick D, Collier J. Baby walkers: paediatricians' knowledge, attitudes, and health promotion. *Archives of Disease in Childhood* 2003;88: 1084-1085

- Watson M, Kendrick D, Coupland C. Validation of a home safety questionnaire used in a randomised controlled trial. *Injury Prevention* 2003;9: 180-183
- Woods AJ, Hapgood R, Bentley E, Kendrick D, Dyas J. Talking about baby walkers: Insights about health education from the field. *Health Education Journal* 2003;62(1):41-49
- Woods AJ, Hapgood R, Collier J, Kendrick D, Illingworth R. Midwives' knowledge of, attitudes to and practice with baby walkers. *Midwifery* 2003;19:63-71

**2002:**

- Hippisley-Cox J, Groom L, Kendrick D, Coupland C, Webber E, Savelyich B. Cross sectional survey of socioeconomic variations in severity and mechanism of childhood injuries in Trent 1992-1997. *British Medical Journal* 2002; 324: 1132-4
- Watson M, Woods A, Kendrick D. Injury prevention: working together on an RCT. *Community Practitioner* 2002; 75(5):172-175

**2001:**

- Hapgood R, Kendrick D, Marsh P. Do self-reported safety behaviours predict childhood unintentional injuries? *Injury Prevention* 2001; 7:14-17
- Kendrick D, Hapgood R, Marsh P. Do safety practices differ between responders and non-responders to a safety questionnaire? *Injury Prevention* 2001;7(2):100-103
- Kendrick D, Marsh P. How useful are sociodemographic characteristics in identifying children at risk of unintentional injury? *Public Health* 2001;115 (2):103-108
- Kendrick D, Pritchard A, Cloke J, Barley M. Randomised controlled trial assessing the impact of increasing information to health visitors about children's injuries. *Archives of Diseases in Childhood* 2001;85:366-370
- Kendrick D, Watson M, Dewey M, Woods AJ. Does sending a home safety questionnaire increase recruitment to an injury prevention trial? A randomised controlled trial. *Journal of Epidemiology and Community Health* 2001; 55: 845-6.
