## Credits and Benefits

### Benefits, Universal Credit and Council Tax

If you are a lone parent, disabled student or a student couple with children, The Department for Work and Pensions will expect you to apply for all the student financial support you are entitled to, before assessing you for tax credits and benefits.

**Child Tax Credits (CTC)** – Students with children under 16 (or under 18 in certain circumstances) can currently continue to claim CTC. We advise you to inform the Inland Revenue that you are going into full-time education. Maximum CTC will entitle you to free school meals for children, as well as help with NHS costs, such as prescriptions.

**Universal Credit** has started to replace six existing benefits with a single monthly payment for those out of work or on a low income. Universal Credit will eventually replace:

- Housing Benefit
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Income Support
- Working Tax Credit and Child Tax Credit

Universal Credit was introduced on 29 April 2013 in selected areas of Greater Manchester and Cheshire. It will be gradually rolled out to the rest of the UK. For more information go to:

[gov.uk/universalcredit](http://gov.uk/universalcredit)

**Council Tax** – Full-time students are exempt from Council Tax. Students should inform their local council of their student status. Where this leaves one eligible person in a household a 25% Council Tax discount may be claimed. For more information please go to the University's Student Services Centre web pages and select 'Documents and letters': [nottingham.ac.uk/ssc](http://nottingham.ac.uk/ssc)

Please contact the Student Union's Advice Centre for more details on benefits and your entitlement – see Useful Contacts.
