

Optional General Activity Programme

Please note

The optional general activity is open to all offer-holders and will take place on University Park campus only.

Sutton Bonington Campus visitors - If your subject activity takes place on Sutton Bonington Campus the main activity for your subject will take place on Sutton Bonington campus only. You **do not** need to come to University Park to register. Please find Sutton Bonington activity start times on your **subject programme**.

Jubilee Campus visitors - If your subject activity takes place on Jubilee Campus, you are welcome to attend this optional general activity on University Park Campus. Jubilee Campus is a short walk from University Park or 20 minutes on our free hopper bus. Please find information about buses between our campuses on your **subject programme**.

When to arrive

If you choose to participate in the optional general activity, you can drop in to register from 9am – 12noon. Timings for the optional general activity are detailed on page 2. Check what time your subject activity begins on your subject programme so you can allow enough time to participate in the activities of your choice.

If you do not wish to participate in the optional general activity, please head straight to the venue detailed on your subject activity programme.

Where to register

The general activity programme will take place on University Park Campus only. Details of where you need to register are included in your **subject programme**. Use Google Maps when on campus to find your registration venue.

Subject activity

Your subject activity will be detailed in your subject programme. The subject programmes will be ready to access on the offer-holder day webpage two weeks prior to your event. **If you do not wish to participate in the optional general activity, please head straight to the venue detailed on your subject activity programme.**

Booking onto activities

You will need tickets for some of the optional general activities. You can collect these tickets from your registration venue on the day of your event. Some general activity may be limited to one guest per visitor only. You do not need tickets for any of your subject activity.

Please note

The optional general activity is open to all offer-holders and will take place on University Park campus only.

Sutton Bonington Campus visitors - If your subject activity takes place on Sutton Bonington Campus the main activity for your subject will take place on Sutton Bonington campus only. You **do not** need to come to University Park to register. Please find Sutton Bonington activity start times on your **subject programme**.

Jubilee Campus visitors - If your subject activity takes place on Jubilee Campus, you are welcome to attend this optional general activity on University Park Campus. Jubilee Campus is a short walk from University Park or 20 minutes on our free hopper bus. Please find information about buses between our campuses on your **subject programme**.

When to arrive

If you choose to participate in the optional general activity, you can drop in to register from 9am – 12noon. Timings for the optional general activity are detailed on page 2. Check what time your subject activity begins on your subject programme so you can allow enough time to participate in the activities of your choice.

If you do not wish to participate in the optional general activity, please head straight to the venue detailed on your subject activity programme.

Where to register

The general activity programme will take place on University Park Campus only. Details of where you need to register are included in your **subject programme**. Use Google Maps when on campus to find your registration venue.

Subject activity

Your subject activity will be detailed in your subject programme. The subject programmes will be ready to access on the offer-holder day webpage two weeks prior to your event. **If you do not wish to participate in the optional general activity, please head straight to the venue detailed on your subject activity programme.**

Booking onto activities

You will need tickets for some of the optional general activities. You can collect these tickets from your registration venue on the day of your event. Some general activity may be limited to one guest per visitor only. You do not need tickets for any of your subject activity.
