Who we are

Our partners and sponsors provide invaluable support, enabling us to continue to invest in our programmes to engage with more people than ever before in sport, health and wellbeing. Our vision for sport is to be the best UK university for sport, physical activity and wellbeing. We aim to be the heart of the student experience, offering one of the biggest opportunities for sport, physical activity and wellbeing. We aim to encourage male and female students to use sport and physical activity to take care of their physical and mental health.

Our reach

Through our programmes and our student activities, UoN Sport has achieved:

- Encouraging the local community to get active. We have invested significant resources to engage with the local community and to work collaboratively with us to achieve this goal.
- Offering a wide range of programmes and activities for both our students and the broader community, and to support the development of talented athletes.
- Continuously striving to further enhance our sporting facilities and the talent of the future.
- Having the opportunity to get involved in sport during their studies.
- Delivery of award-winning programmes that ensure every student has the opportunity to participate in sport, physical activity and wellbeing.

Our vision

Our vision is to be the best UK university for sport, physical activity and wellbeing. We are committed to developing the talent of the future.

Our facilities

Our facilities offer something for everyone. Our outstanding facility portfolio also provides a professional and unique environment to encourage sport at all levels. From a 12m indoor climbing and bouldering wall, to the largest sports hall in any UK higher education institute, our accessible facilities offer an inspirational and inclusive training environment to encourage sport at all levels.

Elite sport and events

Elite athletes studying at the Elite sport and events education institute have the opportunity to develop their sporting talent and to compete at the highest level. The Sports Injury Clinic has delivered physical activity to take care of the health of our student athletes.

Our community impact

Our community impact is significant. Over 830 children and adults have learnt to swim. We have engaged within National Governing Body pathways. We have supported who are actively engaged in our clubs. We have raised over £300k for charity through our sports clubs. We have offered over 16,000 memberships and over 16,000 sports facilities footfall coming in to our facilities. We have delivered digital advertising to reach over 1.2 million people.
