

University Progression, Compensation and Reassessment for Undergraduate Honours Programmes*

*Supplementary Regulations may also specify additional course specific progression requirements – these are not mapped here

**A pass mark is 40%

***Where a student chooses to and is permitted to be reassessed under Regulation 13, 16 or 19 in modules worth no more than 20 credits they will commence their studies in the next stage of their programme but cannot be regarded as having completed that stage until the previous stage has been successfully completed (Reg 20)
