Erasmus exchange programme

Eligibility

As above for the University-wide programme.

Teaching is in the native language of the country. Marks gained will count back to your Nottingham degree programme. Course modules in French, German and Spanish are available from The Language Centre at levels from beginner (Stage 1) up to post A-level (Stage 4). It is strongly recommended that you take some of these in your second-year if you plan to apply to study in one of these countries.
