Would you like to share your career story and top tips for success to current and prospective students? We’re looking for enthusiastic alumni to help inspire the next generation of Geography graduates!

We’d like to invite you to be filmed at our Kings Meadow Campus studios in Nottingham. We’re creating video profiles that will be hosted on the University of Nottingham website. These videos will help to inspire prospective students and provide real-world examples of what you can achieve with a Geography degree.

What does being a Mapping Your Future speaker entail?

You will be asked to talk about what made you choose your degree, your time at Nottingham, the experience you gained at University and how you’ve applied your learning in the workplace.
