Kate.tape@nottingham.ac.uk  
**Number of opportunities**  | 4  

**What is a Natural Sciences speaker?**
We are looking for enthusiastic alumni to inspire students at our further study event. This volunteer opportunity will provide students with an opportunity to consider their further study options after their Natural Sciences BSc/MSci course.

This will be a small, informal event where you can meet and chat with current students about why you chose to pursue further study.

Things to consider in preparation for your talk:
- What made you choose to continue with further study
- Your experience of further study – good and bad!
- A typical day-in-the-life of your course
- What you enjoy about further study
- Any tips you have for students looking to do something similar
- The skills and experience you’ve taken from your degree and how you’ve applied these to your further study

**Who can be a Natural Sciences speaker?**
We are looking for alumni who have studied Natural Sciences BSc or MSci and have now gone on to further study. If you would like the opportunity to practice your public speaking skills whilst making a positive impact on the lives of students – this opportunity could be for you!

**When does the opportunity take place?**
**Date:** Wednesday 6 March 2019  
**Time:** Afternoon, 2-4pm

**Who will benefit from your contribution?**
This event is aimed at all current Natural Sciences students.

**How do I become a Natural Science speaker?**
Please fill out an [application form](mailto:givingtime@nottingham.ac.uk) and a member of the team will be in touch to discuss the opportunity further.
