Volunteering opportunity
We are looking for enthusiastic alumni to inspire students at our ‘Where are they now?’ Physics event. We’d love for you to share your story since graduation and pass on your top career tips. This volunteer opportunity will provide students with an opportunity to identify how their career path could take shape.

As a volunteer you will be asked to lead a mini discussion with small groups of students during the event. Things to consider in preparation for your talk:
- What made you choose your degree
- Your career journey so far and what skills / experiences from University have been most useful in your career
- A typical day-in-the-life of your role
- What you enjoy about your role, organisation and sector – and what are the challenges
- Any tips you have for students looking to do something similar with their career

Who will suit this opportunity?
We are looking for Physics alumni at all stages of their career. If you would like the opportunity to practice your public speaking skills whilst making a positive impact on the lives of students – this opportunity could be for you!

When does opportunity take place?
Date: Wednesday 13 November 2019
Time: 1pm – 2pm
Location: University of Nottingham

Who will benefit from your contribution?
This event is aimed at all current Physics students.

Recruitment process
Please fill out a quick application form and a member of the team will be in touch to discuss the opportunity further.
