What is the 'Inspiring Women through Sport' event?
This volunteer role is for female alumni who played sport whilst they were at university and used the skills they gained through sport in their career choices. We are looking for alumni to inspire students by sharing their career story and passing on their top career tips. The event will take the form of a Q&A session between current students and a guest panel.

Who can volunteer?
This role is suitable for female alumni who were involved in Sport whilst they were at university and used the skills they gained in their career. This can include overcoming adversity, personal challenges and how the transferable life skill gained through playing sport has helped to develop their career either within or outside the sports industry.

What do I need to do as volunteer speaker?
This volunteer opportunity will support an area of career development activities providing students with an opportunity to identify how their career path could take shape. Each volunteer will be asked to spend a brief time describing their career to date before the general discussion takes place.

When does the opportunity take place?
Date: Thursday 8 March 2018
Time: Evening – 6pm – 8.30pm
Location: Conference Room, David Ross Sports Village, University Park, University of Nottingham.
Expected number of volunteering hours: 2.5 hours (please arrive 30 minutes before start of event) plus travel time

Light refreshments will be provided on the evening.

Interested?
Please complete an application form to apply. A member of UoN Sport will then be in touch to discuss your application in more detail.
