Discover Nova SBE partner hotels

Nova SBE has signed protocols with some hotels in Lisbon, Paço de Arcos, Oeiras, Carcavelos, Estoril, and Cascais. Some groups extend the conditions of their partnership to collaborators and at a national level. Please check the booking conditions and respective processes.

How to book an hotel with a partner hotel for an event?

To ensure the best possible experience, follow the steps below to make a reservation:

1. Choose your hotel or hotels from the following list.

2. Contact the Hotel before making the reservation

Get in touch with the hotel to check availability during the event dates. You can do this by phone or email.

3. Provide event details when contacting the hotel

Clearly indicate that your reservation is related to an event at Nova SBE. Provide the event name, specific dates, as well as accommodation and additional needs.

4. Reservations for large groups

If your reservation is for a large group (+10 rooms), it must be mentioned in the request and redirected to the hotel's group department. However, you can request the creation of an exclusive promotional code for the event. This code allows participants to make reservations directly on the hotel's website, ensuring a quick and convenient experience. (This code will be inserted during the online booking process.)

For any correspondence related to the reservation, please include events.hospitality@novasbe.pt in copy

(cc).

We are committed to making your stay during the event at Nova SBE memorable and hassle-free.

If you have any questions during the reservation process, feel free to contact the hospitality department.

All rates are subject to the mandatory city tax of €2 per night. This amount is per person, for all individuals aged 13 and above (this fee is a legal requirement and contributes to the development and maintenance of the tourist infrastructure).
