GET READY TO ROLL UP YOUR SLEEVES AND CHANGE THE WORLD

With over 1,900 stores globally, our vision is to become the #1 retail apparel group by exceeding all our customers’ expectations, one by one. However, we can’t do it all alone.

The UNIQLO Store Manager Candidate Program is a unique opportunity to gain the skills and experience you need to become a true leader.

If you have a minimum of a bachelor’s degree and a passion for driving innovative processes, you’ll find a perfect fit. After a one-year training program, you’ll be empowered as a Store Manager to guide a team of high-caliber individuals toward creating meaningful change in the lives of our customers.

Together, let’s change the world for the better through fashion.

Visit www.uniqlo-europe-careers.com
Welcome to the Graduate Jobs Fair

Our Graduate Jobs Fair is designed to move you closer to a future that's right for you.

Today is your chance to speak to top employers about their vacancies, get your CV reviewed by one of our experts, and attend a job-seeking workshop to help you stand out from the crowd.

Whether or not you meet your future employer today, the opportunities extend far beyond this fair. Did you know that, as a Nottingham alumni, you'll still be able to get careers support after graduation? You can:

- talk to our advisers – by telephone, Skype, email, or face-to-face if you live locally
- attend our events including careers fairs, skills workshops and employer presentations
- access hundreds of vacancies on our website

Our team is here to help you understand and make the most of the graduate jobs market, not just today but for as long as you need after graduating.

You can book an appointment to speak to us at nottingham.ac.uk/careers/appointments or ask our experts a question on Facebook and Twitter. It's a great way to get a quick answer.

We hope you have a great day.

Download our free careers app to get the latest on employers at the fair - including new employers that booked since this guide went to print

CV reviews and job-hunting workshops

Come and see our team at any point to talk to us and pick up careers resources. We’re also running CV review appointments during the day and a programme of skills workshops.

CV review appointments
12–4pm, atrium (by main entrance)

At a 15-minute CV appointment our career professionals can help you to create an effective CV that will sell your skills to potential employers in the best possible way. Sign up for an appointment when you arrive.

Job-hunting workshops
Conference Suite 1

12.30–12.50pm  Top tips for CVs
Creating a CV can often be the first step when it comes to applying for opportunities. This workshop will explain how to structure a CV as well as exploring some top tips to ensure your CV is as effective as possible.

1–1.20pm  Top tips for interviews (including video interviews)
Effective interview skills will ensure you’re able to market yourself and show your full potential to an employer. This workshop will cover useful techniques to help you maximise these opportunities.

1.30–1.50pm  Top tips for finding a graduate job
The first challenge of an effective job search is knowing where to look for opportunities. This workshop will provide key information about how and where to search for jobs, as well as offering questions to ask yourself before you start.

2–2.20pm  Top tips for assessment centres
Find out which key competencies you need to be successful at this stage of the recruitment process. Learn how to develop your skills when involved in group exercises and when giving presentations.

2.30–2.50pm  Standing out and fitting in (China)
If you’re planning to return to China after your studies, you’ll need an update on the job market before you go back. Get an overview of the major employment trends and advice on looking for jobs. You can also ask questions about writing a CV and preparing for interviews.

3–3.20pm  Top tips for using LinkedIn
LinkedIn is fast becoming a vital social media tool for networking and identifying employment opportunities. This workshop will cover how to set up an account, make your profile work for you and use the site effectively for networking.

3.30–3.50pm  Employment opportunities in ASEAN countries
This workshop will focus on a range of aspects to consider when planning to work in Southeast Asian countries. Creating a CV and tips for finding graduate jobs are some of the areas that will be covered.

After graduation, we’re still here to help

After you graduate, you can still talk to a careers adviser about your options or how to get into a particular sector from wherever you are in the world via telephone, Skype or email. If you’re still living locally, you can come and talk to a member of our team face-to-face.

**AppointX Ltd**

**Subjects recruiting from:** Business, economics, law, teaching and sports sciences  
**Job areas recruiting to:** Recruitment consultancy and sales  
**Number of vacancies available for 2018 graduates:** Two  
**Job location(s):** Nottingham

Specialising in health and social care recruitment and talent acquisition, AppointX are at the forefront of specialist recruitment. We are growing and need ambitious, driven graduates to join our executive search team.

We offer an uncapped bonus scheme, generous basic salary, car allowance, structured career development and progression, plus a very rewarding incentive program!

If you are dynamic, target-driven and like to laugh, make sure you stop by our stand and say hello to Tom (Nottingham graduate) and Saskia.

We're looking forward to meeting you!  
[appointx.co.uk](http://appointx.co.uk)

---

**Army**

**Subjects recruiting from:** All subjects  
**Job areas recruiting to:** Defence  
**Number of vacancies available for 2018 graduates:** Unlimited  
**Job location(s):** Worldwide

Lead from the front, do something that matters, and put other people first.

Become a British Army Officer and you’ll get much more from life than you ever would with a civilian career – you’ll become part of a tradition of leadership and selfless service that stretches back hundreds of years.

[army.mod.uk](http://army.mod.uk)

---

**BOE Technology Group**

**Number of vacancies available for 2018 graduates:** 5,000  
**Job location(s):** China

BOE Technology Group, founded in April 1993, is an Internet of Things (IoT) company providing intelligent interface products and professional services for information interaction and human health.

With our current 70,000 employees, BOE’s three core businesses are display and sensor devices, smart systems and healthcare services.

We will offer you the opportunity to grow with the company during its globalisation.

[boe.com](http://boe.com)
Subject recruiting from: All subjects, however many of our graduates come from numerate or STEM backgrounds
Job areas recruiting to: Graduate business analytics and consulting programme
Number of vacancies available for 2018 graduates: 15
Job location(s): Nottingham

‘Big data’ is a term that you’re likely to have heard a lot of lately but Capital One was doing big data before it became a buzz word. We were founded on an information-based strategy, so every decision is an informed one and our analysts are at the heart of driving our business strategy forward.

Join as a business analytics and consulting graduate because you want to make a real-world impact. You want responsibility from day one. And you want to be part of a business that’s disrupting and shaping the future of financial services.

Being a business analyst means having influence; your recommendations will form the basis of business-critical decisions.

capitalonecareers.co.uk/early-careers

Subjects recruiting from: Business studies and economics, computing, finance and engineering
Job areas recruiting to: Recruitment consultants and business development
Number of vacancies available for 2018 graduates: Eight
Job location(s): Nottingham

Code Red Associates and 360 Recruitment were created in 2010 by three experienced recruitment specialists. CRA was founded on the belief that we could deliver a knowledgeable, results-orientated and consistent IT recruitment service in a saturated marketplace where these values are scarce commodities.

360 are now recognised as one of the leading forces in the recruitment industry and provide skilled contractors into areas including retail, senior appointment, engineering, technical and construction.

We’re after excellent communicators, who can think on their feet, are competitive and tenacious, with a passion for sales! We encourage an entrepreneurial approach and are very keen to reward hard work and good results.

coderedassociates.com

Subjects recruiting from: Accounting and finance
Job areas recruiting to: Accounting and finance
Number of vacancies available for 2018 graduates: Multiple – please see our website
Job location(s): China and Asia-Pacific

CPA Australia is one of the world’s largest accounting bodies with a global membership of over 160,000 finance, accounting and business professionals. Our core services include education, continuing professional development, technical support and advocacy for the profession.

The CPA designation is recognised globally, with members in 118 countries. The work of professional accountants is fundamental to the stability, efficiency and sustainability of individual companies, financial markets and the economies of entire countries.
### Darktrace

**Subjects recruiting from:** Science, technology, engineering, mathematics, languages, humanities and social sciences  
**Job areas recruiting to:** Software engineers, cyber technology specialists, cyber defence engineers, marketing and sales  
**Number of vacancies available for 2018 graduates:** Multiple – please see our website  
**Job location(s):** London and Cambridge

Darktrace is the world’s leading artificial intelligence (AI) company for cyber security. Created by mathematicians, the Enterprise Immune System uses machine learning and AI algorithms to detect and respond to cyber threats across diverse digital environments, including cloud and virtualized networks, Internet of Things (IoT) and industrial control systems. The technology is self-learning and requires no set-up, identifying threats in real time, including zero-days, insiders and stealthy, silent attackers. Darktrace is headquartered in San Francisco and Cambridge, UK, and has over 33 offices worldwide.

[darktrace.com](http://darktrace.com)

### Delta-Simons Environmental Consultants

**Subjects recruiting from:** Geology, geography, earth sciences, environmental engineering, ecology and sustainability  
**Job areas recruiting to:** Geo-environmental, ecology and sustainability  
**Number of vacancies available for 2018 graduates:** Four  
**Job location(s):** Nottingham, Lincoln and nationwide

Delta-Simons is an independent, commercially focused, specialist environmental consultancy, with expertise in environment, health and safety, and sustainability advice and support within the property development, asset management, corporate and industrial markets. Formed in 1992, through 25 years of business we are proud of a reputation that delivers projects to the world’s leading organisations across the globe, but also to smaller businesses across the UK and Ireland, ensuring we maintain flexibility and personal service to all our clients, whatever their business needs. We operate from nine key locations with offices in Lincoln, Birmingham, Dublin, Durham, Leeds, London, Manchester, Nottingham and Norwich. Delta-Simons employs over 100 professionals, bringing a wide experience from across the private consultancy and public sector markets.

[ deltasimons.com](http://deltasimons.com)  

### Department for Education

**Subjects recruiting from:** All subjects  
**Job areas recruiting to:** Education  
**Job location(s):** Nationwide

If you're aiming for a degree to be proud of, why not use it to start training for a career you can be proud of too?  
- More people with a first or upper second-class degree than ever before are training to be teachers.  
- There's a teacher training option to suit you.  
- You could receive a substantial tax-free bursary while you train.  
- Good teachers are in demand. There are excellent prospects for employment and career progression.

Visit us on the Department for Education's Get Into Teaching stand to find out more.

[getintoteaching.com/education.gov.uk](http://getintoteaching.com/education.gov.uk)
Explore Learning

Our mission is to develop fearless learners, and be the best possible complement to a child’s school education.

We are looking for passionate and ambitious leaders to join our family and help us make a meaningful impact on both the lives of our children and the growth of our business.

explorelearning.co.uk/careers

FDM Group

FDM Group is the UK’s leading IT graduate employer. Our clients are some of the most prestigious in the UK and we’re currently looking for the next generation of business and IT consultants.

As an FDM Consultant, you will be trained to industry standards in one of FDM’s three academies around the UK. Once your training is completed you’ll work with one or more of FDM’s 180+ clients on the two-year graduate programme.

FDM welcome graduates with a variety of degrees. You don’t have to study IT to work in IT; your passion for technology is what matters.

fdmgroup.com

Gartner

We are looking for people who are driven, intelligent, entrepreneurial and keen to continually learn and develop. Gartner is world-class, and to continue with the high standards and ambitious goals we set for ourselves, we seek only to hire the best talent.

Gartner (NYSE: IT) is a global market leader serving a $5 trillion industry. Our business has grown by double digits each over the past 19 quarters, and our market opportunity is unlimited.

We offer a sales training program designed to support on-the-job activities. This curriculum will provide you with the essential skills and business acumen to become world-class sales professionals, and build successful careers at Gartner.

jobs.gartner.com/careers
Gravitas Recruitment Group

Job areas recruiting to: Previous internship areas included engineering, web development, scientific research, marketing, events, data analysis and more

Number of vacancies available for 2018 graduates: 30

Job location(s): Most are based in the East Midlands, but can be nationwide

The Nottingham Internship Scheme provides a range of work experience opportunities and internships throughout the year exclusively for our students and graduates. Our internships are all with small and medium sized enterprises (SMEs), are paid, and often offer the chance to develop into a permanent graduate role.

[nottingham.ac.uk/careers/uoninternships](http://nottingham.ac.uk/careers/uoninternships)
Postgraduate Study

Subjects recruiting from: All subjects
Job areas recruiting to: Postgraduate courses
Number of vacancies available for 2018 graduates: Multiple

We are respected internationally for our award-winning research and teaching excellence. With over 350 postgraduate taught courses and a broad range of research programmes, postgraduate opportunities at the University span the traditional areas of science, social sciences, arts and humanities, engineering and medicine as well as more contemporary subjects such as entrepreneurship.

Our state-of-the-art research and learning facilities, enviable leisure and sporting amenities, and comfortable accommodation are set in our attractive, award-winning campuses in the UK, Malaysia and China.

nottingham.ac.uk/pgstudy

sevenHILLS

Seven Hills

Subjects recruiting from: Politics, philosophy, economics, English and history
Job areas recruiting to: Consultancy
Number of vacancies available for 2018 graduates: 10
Job location(s): London

Seven Hills is an award-winning, fast-growing campaigning company. We are looking for graduates with intelligence, character and a real flair for writing to join our exciting internship programme. We work with leading entrepreneurs, founders, CEOs, investors and educators, empowering inspirational people, places, companies and sectors to shape the future.

Our graduate internships are paid and run for an initial one-month period, and often lead to full-time employment as a campaign executive following the placement.

wearesevenhills.com

Teach First

Subjects recruiting from: All subjects
Job areas recruiting to: Leadership development programme
Number of vacancies available for 2018 graduates: 1,500
Job location(s): Nationwide

Teach First is an education charity and graduate employer ranked fourth in the Times Top 100.

We offer a two-year leadership development programme, providing a fully funded Postgraduate Diploma in Education (PGDE) where you have a profound impact on children who need you the most, while being part of a dynamic community of like-minded individuals, committed to ending educational inequality.

After the two-year leadership development programme, Teach First opens doors, no matter where your career takes you.

If you aspire to stay in the classroom, Teach First has networks to help you progress.

We also work with over 80 partners, invested in the skills and experiences you gain, from the likes of PwC and Google to the Civil Service.

Unlocked Graduates

Subjects recruiting from: All subjects
Job areas recruiting to: Charity, education and social policy
Number of vacancies available for 2018 graduates: Two
Job location(s): Nationwide

Unlocked Graduates wants to create a generation of future leaders who will change how we think about prisons and prisoners by focusing on rehabilitation and addressing the terrible damage and cost of reoffending.

After the two-year programme, Unlocked graduates will be part of a network of informed advocates for change, influencing perceptions of prisoners and supporting the creation of further opportunities for them to reintegrate with society.

Unlocked is supported by a number of prestigious organisations who recognise the importance of its mission and quality of its leadership development programme and participants.

We are currently recruiting for brand manager, internship and graduate opportunities.

Vitality

Subjects recruiting from: All subjects
Job areas recruiting to: Sales and marketing
Number of vacancies available for 2018 graduates: One
Job location(s): Nottinghamshire

We are one of 22 franchises of Vitality Health Life and are based in Newark, Nottinghamshire, covering the East Midlands and South Yorkshire area. We are looking for a dynamic and energetic graduate to become our latest associate business consultant.

Vitality aims to make people healthier and to enhance and protect their lives. We do this by offering health and life protection for individuals and businesses and rewarding individuals with ‘Active Rewards’, free health checks and cashback.

The successful applicant will receive training at the Newark office and at the headquarters in London. There will be a chance to gain financial services industry qualifications which will open up further opportunities and earning potential.

On completion of training the successful applicant will become a business consultant who will be given their own panel of financial intermediaries to service.

BUSINESS ANALYTICS & CONSULTING GRADUATE PROGRAMME

£40,000 starting salary + £5,000 sign on bonus
Nottingham Office

At Capital One we’re all about Reimagining Money and putting technology to work to make money make sense for our customers. You can be part of Capital One’s pioneering work by joining the Business Consulting and Analytics Graduate Programme.

It’s not just about the data at Capital One, it’s about the people who can tell us what it says. Tell us where our business goes next. If you’re a highly analytical problem solver with a good business brain, we should talk.

General applications are closed, but we will be fast-tracking candidates from University of Nottingham to interview in the next few weeks. Send your CV to UKGraduateRecruitment@capitalone.com before 15th June to ensure you don’t miss out.

Come and meet us at the Graduate Jobs Fair on Monday 11th June, or check our website capitalonecareers.co.uk/early-careers for more information.
