This fair gives you an opportunity to explore current internship and placement opportunities in a variety of sectors with companies looking to recruit the brightest talent.

The employers exhibiting today offer a range of opportunities from insight days and discovery weeks to summer internships and yearlong industrial placements. They are here because they want to talk to you and ultimately, recruit you.

This is your chance to find out what top employers are looking for and about their recruitment processes. You may even find out about opportunities that you never knew existed.

The career areas represented today include marketing, analytics, finance, computing and IT, supply chain, management and engineering.

Our team are here to help you understand and make the most of the internships and graduate jobs market – not just today – but during your time at University and once you graduate. Make sure you leave with a copy of our events guide so that you can see what’s happening this term.

And finally, keep in touch. You can book an appointment so see us at nottingham.ac.uk/careers/appointments or ask our experts a question on Facebook or Twitter. If you have a burning question it’s a great way to get a quick answer.

We hope you enjoy the day.
