When you’re empowered to make a difference

#PositiveImpact

The feeling you get when you see your ideas come to life is an exciting part of developing your career. That’s why the Deutsche Bank Graduate Programme is designed to give you the world-class training and stimulating experiences you need to grow and succeed. With the support of colleagues across our global bank, you’ll take on live projects and tackle real-world challenges that impact our clients, our industry and our society.

Grow your potential. Make an impact. Discover a career to look forward to at db.com/careers/graduates
Welcome to the Management, Consulting and Finance Fair

Today’s fair provides a great opportunity to meet leading employers and find out what they are looking for. The companies are here because they want to talk to you and ultimately, recruit you.

We are delighted to welcome both new and familiar exhibitors to the fair, offering graduate jobs and internship opportunities across a variety of sectors.

Take this opportunity to speak to a range of employers and discover opportunities that you may not even have known existed.

Our team are here to help you understand and make the most of the graduate jobs market – not just today – but during your time at university and once you graduate. Make sure you leave with a copy of our events guide so that you can see what’s happening this term.

And finally, keep in touch. You can book an appointment to see us at nottingham.ac.uk/careers/appointments or ask our experts a question on Facebook or Twitter. If you have a burning question it’s a great way to get a quick answer.

We hope you enjoy the day!

Barclays

Subjects recruiting from: Finance and banking-related subjects
Job areas recruiting to: Human resources, marketing, finance and more
Number of graduate vacancies: 400
Graduate starting salary: Competitive
Application deadline: Please see our website
Job location(s): Europe-wide
We also offer: Internships
Sponsor visas for international students: Yes
Ask me about: Our range of graduate, internship and spring opportunities
Connect with us: @Barclays

Barclays is a transatlantic consumer, corporate and investment bank offering products and services across personal, corporate and investment banking, credit cards and wealth management, with a strong presence in our two home markets of the UK and the US.

With over 328 years of history and expertise in banking, Barclays operates in over 40 countries and employs approximately 85,000 people. Barclays moves, lends, invests and protects money for customers and clients worldwide.

BDO

Subjects recruiting from: All subjects
Job areas recruiting to: Accountancy, finance, business and advisory
Number of graduate vacancies: 250
Graduate starting salary: Competitive
Application deadline: Please see our website
Job location(s): Nationwide
We also offer: Summer internships for penultimate years
Sponsor visas for international students: Yes
Ask me about: Our “Be Yourself” philosophy
Connect with us: @BDO_Trainees_UK

BDO gives graduates all the training they need to attain their professional qualifications, along with extensive practical experience that includes on-site client work. The firm provides constant support to make sure graduates are never out of their depth.

Let us pay for your training and we'll unleash your talents. Depending on what route you take you will get the opportunity to study for either an ACA, ACCA, CFA, CTA.

For high-calibre undergraduates in their penultimate year, our summer internship programme is a fantastic opportunity to experience life and work at BDO. A useful insight into our business and culture, our summer internship will help you decide whether to apply for our graduate programme.

You’ll get a real taste of life at the heart of our firm, working on interesting projects alongside graduate trainees and experienced professionals. Our internship programme lasts six weeks – running from early July to mid-August each year across the UK.

BGL Group

Subjects recruiting from: All subjects

We also offer: One year-long placement
Sponsor visas for international students: No
Ask me about: Opportunities to work in America for three months once qualified
Connect with us: @PageKirkLLP

We are medium-sized firm of chartered accountants and chartered tax advisers based in Nottingham. With over 50 members of staff, we are a progressive and dynamic organisation and are always keen to hear from individuals interested in pursuing their career in accountancy.

Page Kirk is one of a few local and independently owned accountancy practices; we have the perfect combination of skills and expertise to offer peace of mind when it comes to business and individual needs.

Pentland

Subjects recruiting from: All subjects
Job areas recruiting to: Marketing and commercial
Number of graduate vacancies: 10
Graduate starting salary: Competitive
Application deadline: Please see our website
Job location(s): London, Nottingham and Sunderland
Sponsor visas for international students: No
Ask me about: Brand building
Connect with us: @PentlandBrands

Pentland is the name behind some of the world’s most loved footwear and active brands. Our brands are there in the moments that matter, and being there for more people in more of those moments drives everything we do.

Some of our owned brands include Berghaus, Speedo, Canterbury of New Zealand, Ellesse, SeaVees and Red or Dead, and we’re also the global licensee for Karen Millen and Ted Baker footwear.

As a family business, we believe every individual has the power to help shape our future.

We have been recognised as one of the best workplaces in the UK and Europe. Our global HQ is in the UK and we employ over 1,800 people across 20 countries around the world.

PwC

### Tesco Supply Chain Transformation

Join our team of change managers, analysts and data scientists leading strategic projects to improve how our business operates.  
Here in Supply Chain Transformation we work to anticipate the needs of all our customers to make sure that they can get what they want from their shopping trip. Through our data-driven insight, our projects make significant changes to the UK’s biggest retailer.  
A career with us allows you to creatively solve problems, develop systems using mathematical modelling, and introduce better ways of working. We're looking to hire keen problem-solvers who can demonstrate strong business acumen and the drive to make changes to the way we operate alongside excellent analytical and numerical ability, problem solving and great communication skills.
