

# Kealoha Draper BMedSci

27 Mulholland Street, Blidworth, Nottingham, NG14 3QS

Phone: 07123 456789 • E-Mail: K.Draper47@gmail.com

## Personal Profile

I want to become a surgeon, specialising in Otorhinolaryngology (ENT) surgery. I have used my opportunities and experiences in medical school to achieve greater understanding and experience of the field, helped in Otological-directed research projects, and attended conferences which have increased my knowledge and my determination to enter this specialty.

## Education and Qualifications

### Medicine (MBBS), University of Nottingham

2015 - 2020

*'An evaluation of the ultrastructural findings in the utricle in Meniere's disease'*

- An ENT surgery project, evaluating whether Meniere's could be detected by samples of inner ear and brain tissues.  
This was presented at the ENT UK Annual Meeting in September 2016.  
It is currently being prepared for publication.

### Bachelor of Medical Sciences (BMedSci), 1<sup>st</sup>Class, University of Nottingham

2012 - 2015

*'Paradoxical response to bronchodilators in COPD'*

- 20 week laboratory based project as part of the BMedSci qualification. I was directly involved in all stages of the project, and gained many laboratory - based skills.

**Sarah Allen's Girls School, Manchester** - 4 A\*s - Chemistry, Biology, History, Maths

2010 - 2012

**High Castle School, Croydon** - GCSEs: 11A\*s

2003- 2010

## Relevant Clinical Experience

**Royal National Throat, Nose and Ear Hospital, UCLH NHS Trust, London**

May 2019

**Dr Ashraf, Dr Youhana and Dr Goldsmith**

- Voluntary 1 week placement, shadowing the ENT surgeons, and observing procedures including cochlear implants and audiovestibular consultations.

**Clinical Attachment in Paediatrics, Nottingham Children's Hospital**

Dec 2018-Feb 2019

**Dr Smalls, Dr Rana and Dr Aurbach**

- A 10 week placement shadowing paediatricians and paediatric surgeons from varying specialities.
- Supported a paediatric Otological medicine project looking at the effect of early-use of grommets in children with glue ear. This is still ongoing.

**Special Study Module (SSM) - 'ENT Surgery', Nottingham City Hospital**

Oct 2018

- A 4 week placement shadowing adult ENT surgeons, including scrubbing in and participating in both cardiac and thoracic operations.

## Clinical Skills

I am competent in the following Clinical Skills (outside of the GMC Curriculum):

- Suturing - Interrupted, Continuous, Subcutaneous, Horizontal and Vertical Mattress
- Knot Tying - Instrument Tie, Aberdeen
- 'Scrubbing Up'

I am familiar with: Debridement, Chest Drain Insertion, Lesion Excision and Laparoscopic Simulations.

## Conferences

### Attended the ENT UK Annual Meeting in Birmingham

Sept 2019

- Met many ENT surgeons from across the country, attended talks and gained a starting insight in the development of the field and a look at the future of ENT surgery.
- Presented poster on BMBS research project
- Nominated for Norman Sykes ENT Speaker award

## Awards and Prizes

### Nomination - Brian Sanderson Memorial Prize

2018

- *For outstanding project work during Part II of the BMedSci on a topic related to cardiovascular disease.*

### Awarded a prize by the University Of Nottingham Medical School

2017

- *For a presentation on Atrial Septal Defects*

## Teaching Experience

### Clinical Skills Teacher, University of Nottingham Medical School

### Nottingham Medical Society Teacher - 'Medsoc Teaching'

- Hold sessions for 1.5hours / week for 20-40 Y1 and Y2 medical students: Providing additional tutoring on anatomy, physiology and infection

## Roles of Responsibility

General Secretary, Nottingham Medical School Surgical Society 'SCRUBS'

2018 - 2019

General Secretary, Nottingham Medical School Wilderness Medicine Society

Student Ambassador for University of Nottingham

2017 - 2018

Widening Access to Medical School E Mentor

Treasurer, University of Nottingham Chamber Orchestra

2016 -2017

- *Obtained our 1<sup>st</sup> National University Student Orchestra of the Year Championship.*

Welfare Officer, University of Nottingham African-Caribbean Society

Mentor for the Debate Mate Mentoring Scheme

**Undertaking these roles has developed my teamwork, organisation and communication skills**

## Interests

**Sports** - Training in Kickboxing and Shotokan Karate. I am also an avid football and tennis fan.

**Music** - Member of multiple orchestras, including the University of Nottingham Chamber Orchestra. Currently play the oboe (Grade 5 - ABRSM), piano and guitar.
