

Expression of Interest for Fellowship Application
INTERNAL CANDIDATES

Please complete this form to express your interest in developing a proposal for a personal research fellowship, funded externally or internally. Information provided here will be used to inform the School of Chemistry about your intention, and to help the School to plan its support. Please do not exceed one pages (font size 11).

Please send the completed form and your CV to Helen.Shipman@nottingham.ac.uk copying in Andrei.Khlobystov@nottingham.ac.uk

1. Your name & Research Theme

--

2. Fellowship scheme & application closing date (including a weblink)

--

3. Why is this scheme a good fit for this stage of your career?

--

4. Why are you a strong candidate for this scheme? (please check that you meet eligibility criteria and please provide a weblink to the criteria)

--

5. Why is University of Nottingham a suitable host for this project?

6. Title and topic of your research proposal (this could be tentative; please attach a draft proposal as a file if you have it already)

7. What commitment is expected from the School? (financial, space, facilities, infrastructure, studentship, admin or technical support etc.)
