Toy packs for babies and children aged
from birth to 7 years

About the University of Nottingham Toy Library

The University of Nottingham Toy Library has recently been redeveloped thanks to a generous donation from a past member. The toy library operates from the University of Nottingham Playcentre and offers a selection of toy packs for children aged birth to 7 years. Members can borrow toy packs on a weekly basis for a small charge. Packs must be pre-ordered and an agreed time for collection will be arranged. The toy library is available to staff and students of the University as well as the local community. In order to borrow packs from the toy library you must become a member.

Become a Member

To become a member of the University of Nottingham Toy Library please email childcareservices@nottingham.ac.uk for a membership pack. We will require the membership forms to be completed and returned to us with the membership fee of £3.00.

Once we have received your membership forms and payment we will email you your membership number. After you have received your membership number you can borrow packs from the Toy Library.

Toy Library Rules

There are not many rules for the University of Nottingham Toy Library as we want you to be able to enjoy the service we offer. However the small number of rules we do have are to ensure your children's safety and for the toy library to be able to continue offering the service. Therefore we thank you in advance for following these rules:

- You must become a member to borrow from the University of Nottingham Toy Library and pay the membership fee in advance
- You must read the University of Nottingham Toy Library Safety Policy before beginning to borrow toy packs (found in the membership booklet)
- Toy packs may only be used with the children of the recommended age or older due to small parts and their suitability
- Toy packs must be checked by you on collection to ensure they are in good condition and working order
- Toy packs must be returned complete, in good condition and working order. Any faults, breakages or missing items must be reported when returning the toy pack
- While you have the toy pack you are responsible for its safe and appropriate use
- Toy packs must be returned by the agreed returns date or the toy library contacted to rearrange an alternative return date
- Only 2 toy packs per family at any one time may be borrowed
- Payment is required at the time of collection

The University of Nottingham Toy Library is available to staff and students at the University and the local community.
