A07 Computer Science Building

Speak with our academic staff regarding admission related queries.

## Student & Societies Demo stalls

All day

A01 and the Atrium, Computer Science Building

## CS Student Demo & Societies stalls

**JCB AR Machine Harness Analysis App: A01, ground floor**
Have a go on 2$^{nd}$ Years Alex and Saimon's augmented reality app assisting with fault finding and maintenance procedures on a (mini) JCB Fastrac tractor.

**Jubiliee Campus Interactive Map: A01, A Floor**
Chris, Alice and Nicola present their 2$^{nd}$ year group project, a low-cost map of the University of Nottingham's Jubilee Campus, with interactive "Streetview" panoramas captured by them, on a hardware system they created.

**HackSoc, Hackathons, and HackNotts: Atrium, A Floor**
Find out about HackSoc (a student society dedicated to making cool stuff) from Oli and Lana!

**Women in Computer Science: Atrium, A Floor**
Find out about our society dedicated to empowering and supporting women and non-binary people in the field of Computer Science, from the president Hana!
