**Thoresby: the End of the Mine:
a talk by Chris Upton**

A02, Highfield House, University Park | 6.15-7pm

The last pit in Nottinghamshire, Thoresby Colliery,
closed in July 2015, bringing to an end hundreds of
years of mining in the Midlands.

Over nine months, Chris Upton documented the site,
the buildings and the people, creating a unique piece of
social and cultural history.
