

Instructions on how to submit a full paper to the eg-ice2017 International Workshop via easychair.org

You can submit your full paper **only by updating the submission** you already made when submitting your abstract.

Steps:

1. Login to <https://easychair.org/conferences/?conf=egice2017> using the role “author”
2. Select “Information” for your submission

You now may change the title and keywords by selecting “Update information” (see Figure below). You may also update authors using “Updated authors”. **Most importantly, you have to submit your full paper by selecting “Update file” from the top right-hand menu.**
