Vitiligo

An Evidence Based Update Meeting

Thursday 23 May 2013

Sir Denis Rooke Building, Holywell Park, Loughborough.

Centre of Evidence Based Dermatology Annual Evidence Based Update Meeting

Each spring the Centre of Evidence Based Dermatology holds an annual evidence based update meeting.

The day is aimed mainly at dermatologists and specialist dermatology nurses, although anyone with an interest in the area is welcome.

Vitiligo was the chosen topic for the 2013 meeting following suggestions given by the previous year's delegates on their feedback forms.

Chaired by Professor Hywel Williams, the programme for the meeting includes presentations by European experts of recently conducted randomized controlled trials and systematic reviews, plus clinical viewpoints. The ever popular and informative Question and Answer Session with a panel of experts is also included.

Please note that places are limited to 125 delegates so please book as soon as possible.
