Welcome from your Community Officer

“Hi, my name’s Sofia and I’m your Community Officer for the next academic year.

My role encompasses looking after you in issues to do with housing, transport, being your representative to the local council, and much more. Moving out into the community can be an exciting and daunting experience and this year is going to look very different due to the current global climate, however your SU is here to support you every step of the way. I hope you enjoy your time living off-campus, and that you can make a positive impact on your neighbourhood. Remember, look after yourself; look after your Community!

One Kegworth

One Kegworth is a group of like-minded people who want to bring Kegworth together as one. The committee is made up of village residents, business owners, professionals and University students who all love where they live.

We aim to organise a variety of events throughout the year including the Christmas in the Market Place, Easter Charter Market, One Kegworth event in June and a Picnic in the Park in summer.

By working with each other, we can bring the community together to have fun and try new things. One of our main aims is to support local businesses, clubs and societies to showcase the wide range of activities we have available in Kegworth. Our events are accessible and fun for everyone and are not to be missed!

Visit onekegworth.co.uk to find out more, or email hello@onekegworth.co.uk or check out our facebook page @onekegworth

Sport in Kegworth

Feeling sporty? It’s a short trip to the Sutton Bonington Sports Centre and there are plenty of sports clubs and societies to get involved with on campus.

Fancy trying a new sport or picking up something from home? Visit nottingham.ac.uk/sport/facilities/suttonbonington

And that’s not all! Kegworth has a number of local clubs you can get involved in too, including tennis club, karate, taekwondo, tai chi, equestrian, football, cricket, and clay pigeon shooting.

There’s also King George V Playing Field and grounds available to the cricket, football and tennis clubs, as well as a green bowls club. So there’s loads to keep you active!
Your role as a housemate

Sharing a house with your friends is something you’ll always remember from your time at University – and as a housemate, you’ll play a role in making sure shared living is a fantastic experience.

Here are some day-to-day practicalities to help you have the best time:

As soon as everyone has moved in, create a rota of all the chores and tasks the whole household will have responsibility for. Whether that’s washing up, cleaning the bathroom or putting the bins and recycling out, decide as a group who does what and when.

And when something isn’t quite right, avoid passive aggressive notes and revenge tactics; it’s super important to talk to each other!

Spend time together. Organise something social that involves everyone in the house – maybe a movie night or making homemade pizzas together.

SU Advice says: Have a chat with your housemates about visitors and acceptable noise levels. It’s good to talk this through early on to make sure you all agree on house rules.
Your role as a neighbour

Kegworth has a population of around 3,700 residents, and about 640 of these are students. So you’ll be part of an established and diverse village community, which might include living next to a young family or older people. Your role as a neighbour is really important as you can look out for each other, get to know new people and feel more at home where you live.

Things you could do:

Say hello! If you’re friendly and approachable, you’re much more likely to have a positive relationship with your neighbours.

Ordering a taxi? Remember to ask the driver not to sound their horn when they arrive as it can disturb your neighbours. And wait inside for the taxi to arrive to avoid noisy gatherings on your doorstep.

Heading out for the night? Be considerate of sleeping residents and keep the noise down as you walk into town and head home at the end of the night.
Binformation and recycling

• Keep on top of your waste and use the correct container
• Download your bin calender so you don’t miss a collection day
• Take your bins off the street as soon as they’ve been emptied
• Support the environment by recycling as much as possible.

1. Always keep the house clean. Think about drawing up a cleaning rota - it’s a good way to prevent squabbles with your housemates!

2. Make sure you heat and air the house properly.

3. Check smoke alarm batteries every week and change lightbulbs when you need to.

4. Be careful what you put down your sink and toilet!

5. Check if you have responsibility for maintaining the garden, as some contracts specify that you do.

Parking spaces are in really short supply in Kegworth, so please think of others if you have a car with you – particularly if you have more than one car in your household. Try not to park on the pavement as it can cause problems for people who use wheelchairs and pushchairs.
