How to submit an Assignment in PebblePad
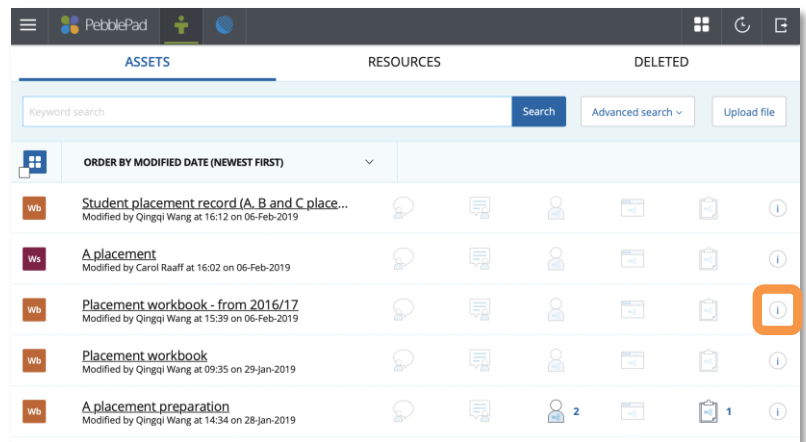

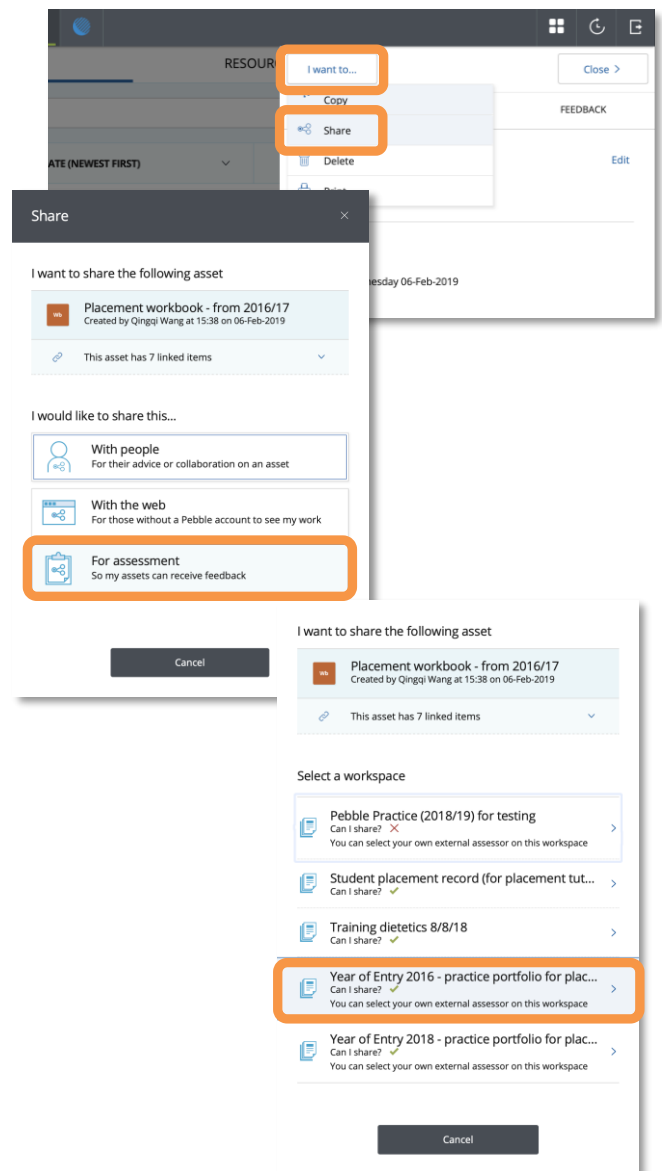

There are two ways that you can submit an assignment in PebblePad:

▶ Either, go to your Asset store and click on the ⓘ icon alongside the title of the Asset you need to submit.

▶ Or, open the Asset that you would like to share. At the top of your workbook, you will see 'I want to…' Click here.

▶ Select 'Share' and then 'For assessment'.

▶ Then select the relevant workspace and assignment from the lists provided.

▶ Agree to the terms of usage and select 'Share for assessment'.

- The 'Shared for Assessment' icon alongside the asset in your asset store will be highlighted.
- You will receive an email to your university email account confirming the submission.
