Undergraduate scholarships

Top class entry scholarships

The Faculty of Engineering is offering a prestigious scholarship opportunity to students entering courses within the Department of Electrical and Electronic Engineering in 2017.

For UK and EU students

Scholarships of £3,000 will be awarded as a one-off payment in recognition of academic excellence to students starting on an undergraduate honours degree programme (BEng or MEng) within the Faculty in 2017.

The full scholarship will be paid in spring 2018.

Eligibility

Students must:

- attain A level grades of AAA or above in the subjects which count towards your offer. For excluded subjects, please see the advertised admissions criteria on our website. Equivalent performance in alternative qualifications such as IB, BTEC will also be considered
- progress from the University of Nottingham Foundation Year with an average of 80%
- only open to Home/EU students having applied via UCAS
