

## Call for Papers

# IP Rights, Technology, and International Trade Research Workshop

Nottingham, United Kingdom

26 June 2025

**Submission Deadline: 14 April 2025**

Keynote Speaker: **James Bessen** (Boston University)

**Aim:** This Workshop will bring together economists working at the intersection of innovation, technology, competition, international trade, and related areas. We seek to create a welcoming environment where participants can receive valuable feedback and build a community around their research interests. This edition is hosted by University of Nottingham, and the inaugural edition was hosted by University of Sussex. The workshop will last one day, and **presentations** will be followed by a **Q&A** (30 minutes in total). Submissions from **researchers at an early stage** in their careers are particularly encouraged.

**Funding:** The workshop is supported by the host universities, **University of Sussex** and **University of Nottingham**, **Centre for Inclusive Trade Policy (CITP)** and **Nottingham Centre for Research on Globalisation and Economic Policy (GEP)**, **Competition and Markets authority** and a grant from **British Academy**. Conference funding allows us to cover accommodation for speakers, but all participants are expected to cover their own travel costs. If this is not possible please let us know. Breakfast, coffee breaks, lunch, and dinner will be offered to all participants.

**Submissions.** Authors are invited to send a draft of their paper to the organisers by 14 April 2025.
