

Practice learning evaluations – what happens next?

Student Evaluations of Practice Learning (SEPL) feedback forms are important so we can ensure students have access to the best quality practice environment.

Tell us about your experience – what's been good and what needs to improve?

School reviews

Good practice is acknowledged and issues are investigated

Practice organisation and practice host

Anonymous evaluations are shared with organisations and hosts. Good practice is recognised and actions are generated to drive improvement

Please submit a SEPL feedback form after every placement.

Visit the Moodle Prep for Practice to see the findings from recent feedback.
