

## Forgotten Password

The 'Forgotten your password' function in MyView is only applicable if you are logging in using your payroll number.

➤ University of Nottingham Staff

You can change your password at any time by going to <https://itaccounts.nottingham.ac.uk>

➤ University of Nottingham casuals / associates and Non University of Nottingham staff

If you cannot remember your MyView password that you have previously set, clicking the 'Forgotten your password?' link will email you a temporary password, after which, you will be able to create your own password again (see the '**Logging On**' section). If you require further support to do this, please contact the IT Service Desk on 0115 95 16677 or via the IT Self Service Portal at <https://selfservice.nottingham.ac.uk/sw/selfservice/>
