- An exhibition of archaeological artefacts from local and regional sites
- Medieval and Napoleonic reenactment groups
- History in Schools showcase
- A chance to meet historians and their sources
- Photographic competition
- Book stall

The festival is aimed at anyone interested in history including students, staff, families and the wider community.

No need to book, just come along! We're a short walk from Lakeside in Highfields Park with a range of cafés and other activities close by, so you can make a day of it.
