PureMessage Quarantine Portal.

Accessing the portal

To access the portal simply enter spam.nottingham.ac.uk into your browser address bar. When the page loads you will be presented with a login box as shown below.

From here enter your University username and password then click the **Login** button.

View a blocked message

Once you have logging in to the portal you will be presented with the Blocked Messages screen as shown below. To view a blocked message follow the steps below.

1. On the Blocked Messages page, click the subject of the message you want to view.
   The message opens in a new browser window.

2. To close the message, close the browser window.
Release a blocked message

1. On the sidebar, click **Blocked Messages**.

2. On the Blocked Messages page, select the check box beside each message you want delivered to your mailbox.

3. Click **Deliver Message**. The selected messages are released and delivered to your mailbox.
Delete a Quarantined Message

1. On the sidebar, click **Blocked Messages**.

2. On the Blocked Messages page, select the check box beside each message you want to delete.

3. Click **Delete Message**. The selected messages are removed from the Blocked Messages page and sent to the Deleted Messages page.
**Release and Approve a Sender**

1. On the sidebar, click **Blocked Messages**. The Blocked Messages page is displayed.

![Blocked Messages](image1)

2. On the Blocked Messages page, select the check box beside each message that you want to be delivered to your inbox.

![Blocked Messages](image2)

3. Click the **Deliver and Approve Sender** button. The Approved Senders page is displayed.

![Approved Senders](image3)

4. On the Approved Senders page, select if you want to only **Approve** the sender or to **Approve all email from** the sender's domain.

![Approve Sender](image4)

5. Click **Approve**. The selected messages are released and delivered to your inbox. The selected senders are added to your Approved Senders list.
