What’s Short Loan?

Short Loan is a selection of high demand books, photocopies, videos and DVDs.

Short Loan is a great way to ensure a large number of students can see core text in a short space of time.

You can borrow books and items from 11 in the morning until 4 in the afternoon, and from 4 until 11 the next day. On a Friday afternoon you can borrow the item until Monday morning.

So how do I borrow them?

Well, first, find the class mark on the library catalogue (that’s the UNLOC) and locate the item on the Short Loan shelving. This can be found in the area by the Lending Desk on Level Two. Short Loan items can be borrowed on the self-service machines. You can borrow two Short Loan items at any one time, but always check your receipt for the due date and time to avoid fines, and remember to log out.

And I can return them on the self-service too?
Yeah that’s right. They need to be returned to the library they were borrowed from, so other customers can borrow them on time.

Thanks.
