What is Short Loan?

Short Loan is a selection of high demand books, photocopies, videos and DVDs. Short Loan is a great way to ensure a large number of students can see core texts in a short space of time.

The loan periods run from 11am to 11 the next day. On a Friday morning you can borrow the item until Monday morning.

So how do I borrow them?

Find the class mark on the library catalogue, UNLOC, and locate the item on the Short Loan shelving.

Short Loan items can be borrowed on the self-service machines and you can borrow two Short Loan items at any one time.

Always check your receipt for the due date and time to avoid fines and remember to log out.

And can I return them on self-service too?

Yes, that’s right. They need to be returned to the library they were borrowed from so other customers can borrow them on time.

Thank you.
