[UNDER]
[CONTROL]

[UNDER]
[CONTROL]

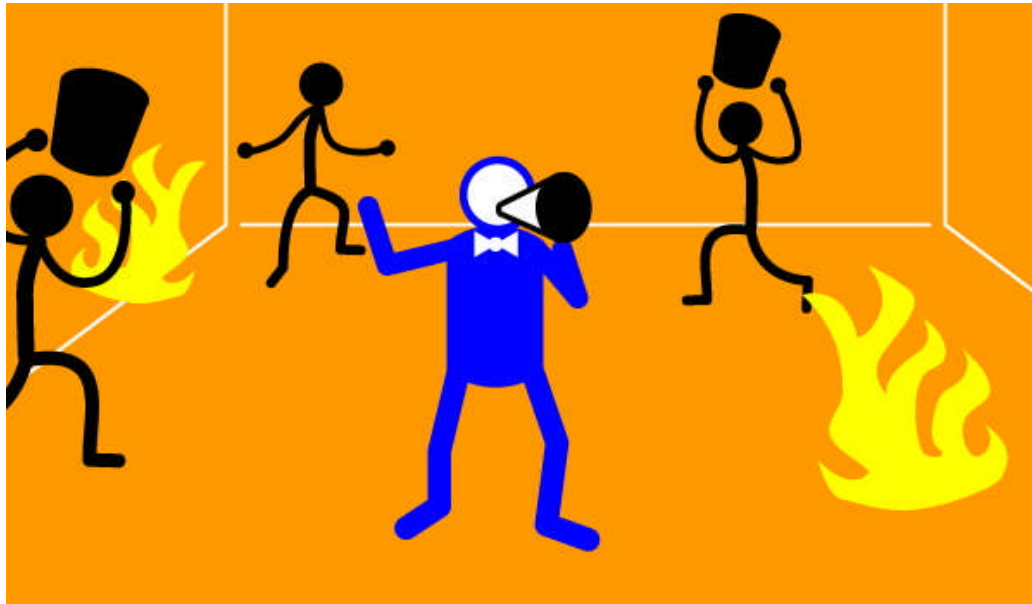

I KNOW HOW IT
LOOKS BUT
TRUST ME
I HAVE IT ALL
UNDER CONTROL

THERE
IS A
THING
SUCH AS
KEEPING
EVERYTHING
UNDER
CONTROL

Never have I seen a workforce so ill-prepared for the job at hand ...

**A specialist medical and mental health ward
for confused in-patients**

Person-centred care

Mental health staffing

Environmental change

Staff training

Purposeful activity

Greater family involvement

The TEAM study

Randomised controlled trial

- MMHU vs ordinary care
- 600 participants
- Outcomes at 3 months
- Days at home
- Mortality
- Institutionalisation
- Symptoms
- ADL
- Cognition
- Mood
- Behaviour
- QoL
- Experience of care
- Carer QoL
- Carer satisfaction
- Economics
- Qualitative

Results ...

But let's talk!

Other hospital dementia research

The tail of dissatisfaction

Incontinence

Persistent vocalisation

Balance and the mind (falls)

Communication aids
