

Additional Course Costs

Below is a list of additional costs that are not included in your tuition fees. Please note that although any prices stated are correct at this time, these are subject to change (especially those such as gown hire which will not be incurred for a number of years). Find out more

DBS check

All Home UK students registering on the MPharm are required to undertake a DBS (formerly CRB) check. The cost of this is £49, plus an additional £13 per year if you wish to register for the update service. The DBS check is compulsory for all incoming Home UK students; you will not be allowed to undertake placements without a completed check. EU/International students must also provide a police check/certificate of good conduct for which there may be a cost involved and are advised to check with their local police or Home office for further information.

Vaccinations

Your course placement requires you to have certain immunity status. Students who, as children did not suffer from Chicken Pox, undertake a full MMR course of two vaccinations or have the BCG (Tuberculosis) vaccination via the NHS are either required to obtain this through their GP prior to the course start date or will be required to fund these immunity requirements. The vaccination costs given below are indicative, approximate costs only and are subject to change:

- **MMR** - £57.50 (course of two vaccinations - £115.20)
- **Varicella** - £78.00 (course of two vaccinations - £156.00)
- **Tuberculosis** - £151.20

Travel to/from placements

The cost of any travel to/from MPharm placements is not included in the tuition fee and therefore this will be an additional cost you will need to budget for. The vast majority of placements are local to the University and travel costs will be minimal; for placements slightly further afield the School will make every effort to minimise costs for students by checking that any one student is not placed in these locations repeatedly.

Overseas Study

During the course of your studies you will have the opportunity to apply to study abroad. Studying abroad does not have to be any more expensive than studying in Nottingham if you budget well and take advantage of any funding for which you may be eligible. Additional costs to consider include travel, insurance, visa costs & vaccinations/medicals (if applicable). There is a wide range of sources of funding to help make study abroad affordable for all, including reduced tuition fees, bursaries, grants and scholarships. Find out more

Replacement lab coats/glasses/name badges

We issue all students with a lab coat and a pair of safety glasses at the start of the course. If you require replacements, these cost around £5 for the safety glasses, around £18 for the lab coat, and approximately £6 for a replacement name badge (prices subject to change).

Replacement student ID cards

If your University ID card is lost, stolen or damaged there is a fee for a replacement. Security may waive the fee for stolen cards if a crime number is supplied.

Resit examinations (including placements that are part of the professional competencies modules)

Students who are required to undertake resit examinations will be charged a flat fee of £80, regardless of the number of reassessments they take. If students have approved extenuating circumstances from their initial attempt, there will be no charge for a first sit examination.

Resit professional pre-registration placements (5 Year MPharm only)

This will be charged at a pro rata rate and will vary depending on the length of the resit. Resit fees are reviewed and updated on an annual basis. Please refer to the exceptional fee table for further details.

Additional transcripts/confirmation of studies

Letters confirming that you are a student are provided by Student Services free of charge. You will be able to access and print your transcript via BlueCastle, or order an official transcript for £3. If following graduation you require additional transcripts or confirmation that you studied at the University then a small charge will be made. Find out more

Graduation – Gown Hire

There will be costs associated with the hiring of gowns for graduation ceremonies. See further details.
