

Cancer Research Nottingham Annual Symposium 2019
9.30am- 5.30pm Monday 16 September 2019
LT1 Lecture Theatre, A-floor, Medical School

<i>Session I. Chair: Alan McIntyre</i>		
9.00-09.10	<i>Welcome & Introduction to New Cancer Centre</i>	Prof David Bates
09.10-10.10	<i>Keynote Speaker</i> <i>Cellular plasticity and upper GI cancers</i>	Prof Xiu Lu (Ludwig, Oxford)
10.10-10.30	<i>Precision sensing and Imaging for early detection of cancer</i>	Prof Melissa Mather (Nottingham)
10.30-10.40	<i>Nottingham Patient Support Group</i>	Mr Stewart Robinson
<i>10.40-10.55 Refreshments/ posters</i>		
<i>Session II. Chair: Alex Thomson</i>		
10.55-11.15	<i>How to improve the radiological identification of early breast cancer: what do we do.</i>	Dr Yan Chen (Nottingham)
11.15-11.35	<i>Counteracting stem cell traits in cancer</i>	Dr Paloma Ordóñez-Morán (Nottingham)
11.35-11.55	<i>Adenosine polarises human macrophages towards an immunosuppressive phenotype via the A2A and A2B adenosine receptors</i>	Dr Hester Franks (Nottingham)
11.55-12.25	<i>Next-generation biopsies in gastrointestinal cancers</i>	Dr Nicola Valeri (ICR, London)
12.25-12.40	<i>2B Scientific, Thermo-Fisher & Promega</i>	<i>Industry Presentation</i>
<i>12.40 -13.50 Buffet Lunch/ Posters</i>		
<i>Session III. Chair: Anna Grabowska</i>		
13.50-14.00	<i>PPI involvement in research</i>	Mr Robert Oldroyd
14.00-14:30	<i>Clonal Haematopoiesis, leukaemic risk prediction and in vivo models</i>	Prof George Vassiliou (Cambridge)
14:30-14.50	<i>Harnessing the mannose receptor to combat cancer</i>	Dr Luisa Martinez-Pomares (Nottingham)
14.50-15.20	<i>3D in vitro breast models for prevention and cancer</i>	Dr Gillian Farnie (Oxford)
<i>15.20-15.40 TEA & COFFEE/ poster</i>		
<i>Session IV. Chair: Abdolrahman Shams Nateri</i>		
15.40-16:00	<i>Digital pathology and artificial intelligence: reshaping of pathology services</i>	Prof Emad Rakha (Nottingham)
16.00-16.30	<i>Precision Medicine at Weill Cornell: The power of team science</i>	Dr Brian Robinson (Weill Cornell, USA)
16:30:17.10	<i>Interdependence of Malignant Myeloid Cells and their niche: It Takes two to Tango</i>	Dr Dominique Bonnet (Crick, London)
17.10-17.30	<i>Poster Prize</i>	Prof Poulam Patel
17.30-...	WINE & BEER RECEPTION	

Organisers: Dr Alan McIntyre, Dr Alex Thomson, Prof Anna Grabowska, Dr Abdolrahman Shams Nateri & Prof David Bates
Sponsors: 2B Scientific, Promega, Peptrotech, Thermo-Fisher, EACR
