

Nottingham Breast Cancer Research Centre (NBCRC) Organisational Structure

Nottingham Breast Cancer Research Centre (NBCRC) Organisational Structure

Member Engagement Subgroup.

Lead: Ruth Parks (3rd year representative). Subgroup Members: Ashia Wheeler-Crawford (2nd year representative); Ali Fakroun (1st year representative)

Remit/ Purpose: The general remit is to encourage membership and participation in the NBCRC from students and post-doctoral research fellows working in breast cancer.

We will achieve this through a number of key aims:

- Organisation of an annual research day specifically for students/post-doctoral research fellows
- Running a student seminar series running every two months
- Setting up 'welcome packs' for new members
- Updating the NBCRC SharePoint site with relevant information for students/post docs

Public Outreach Subgroup.

Leads: Georgette Oni & Cinzia Allegrucci. Subgroup Members: Sarah Storr, Victoria James, Megan Wilde, Anna Harris

Remit/ Purpose: To engage with the public to raise awareness of breast cancer and disseminate new research findings. By synergising with the Member Engagement and Patient and Supporter groups, the Public Outreach Subgroup will lead the organisation of the annual Breast cancer Awareness Event, outreach events and the centre quarterly public seminar programme.

Patient & Supporter Subgroup.

Leads: Stewart Martin & Carol Pairaudeau. Subgroup Members: 6-10 breast cancer patients/supporters.

Remit/ Purpose: To actively engage with patients & supporters, ensuring that their voice is considered and is integral to the operation of NBCRC. The patient perspective is highly valued in relation to raising awareness of breast cancer, in the evaluation of research proposals and also for input and advice in relation to fundraising and marketing activities. The subgroup will meet every 2/3 months with a hybrid of physical and virtual meetings.

The subgroup leads will co-ordinate lab tours and cheque presentations, co-ordinate an NBCRC presence at fundraising events and continue to develop links with patients and patient groups. They will liaise with all other subgroups, such as Public Outreach and Communications, as appropriate.

Communication & Marketing Subgroup.

Lead: Andy Green. Subgroup Members: Sarah Storr, Carol Pairaudeau

Remit/ Purpose:

- Engage effectively with members, researchers, patient supporters and public
- Demonstrate the success of our work
- Ensure people understand what we do
- Bring about awareness of breast cancer

Research Subgroup (Vision & Opportunities).

Lead: Cameron Alexander. Subgroup Members:

Remit/ Purpose:

- Grow a cohesive BC research community at Nottingham
- Promote NBCRC research within the wider research community
- Generate research specific content for SharePoint site, Newsletter and NBCRC website
- Present an NBCRC perspective/voice
- Identify and communicate research opportunities to membership
- Assist and encourage research collaborations and success
- Monthly seminar programme (external speakers)
- Produce annual research metrics
